NOTIFICATION

OCT 29 2004

The Andersons Weed & Feed with Atrazine

Controls grassy and broadleaf weeds while feeding your lawn with a premium blend of fertilizer nutrients that provide quick and extended greening.

ACTIVE INGREDIENT:

Atrazine 0.92%

INERT INGREDIENTS..... 99.08%

Total 100.00%

Contains 18.36 lbs. of Atrazine per ton. This is equivalent to an actual application rate of 2 lbs. Atrazine per acre when used according to label.

- Contains Atrazine
- For thick, green, weed-free turf
- Contains Poly-S® controlled release nitrogen for extended greening
- For use on St. Augustine, Carpetgrass, Centipede and Zoysia lawns ONLY
- Controls Dollarweed and other common weeds

Optional for subregistrant:

- Specially formulated to feed and control weeds in St. Augustine and other Southern Lawns
- 100% Satisfaction, Bayer, A Better Lawn Guaranteed!, Or your money back

CAUTION

KEEP OUT OF REACH OF CHILDREN

FIRST AID

- If swallowed Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- If in eyes Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contacts, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
- If on skin or clothing Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- If inhaled Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-757-8951 for emergency medical treatment information.

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid inhalation or contact with eyes. Wash after handling or using. Keep away from feed or food products.

Applicators and other handlers must wear

- long-sleeved shirt and long pants
- shoes plus socks

ENVIRONMENTAL HAZARDS

Atrazine can travel (seep or leach) through soil and can enter ground water which may be used as drinking water. Atrazine has been found in ground water. Users are advised not to apply Atrazine to sand and loamy soil where the water table (ground water) is close to the surface and where these soils are very permeable. i.e. well drained. Your local agricultural agencies can provide further information on the type of soil in your area and the location of ground water. This product is toxic to aquatic invertebrates. Do not apply directly to water. Runoff and drift from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning or equipment of disposal of waste. Do not apply on ornamental trees, shrubs, bedding plants, flowers or garden plants since injury may result.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

APPLICATION INFORMATION

WHEN TO APPLY

For best results apply before weeds come up. Established weeds are more difficult to control and may require an application in the spring and the fall. Usually application made between January 1 and March 1 give the best control although applications may be made through June 15 with good control of most weeds listed. To control certain winter weeds such as Henbit, Chickweed, Rabbit Tobacco, Florida Betony and Evening Primrose, a fall application will be required.

4/7

AMOUNT TO USE

Apply this product at a rate of 25 lbs. per 5,000 square feet and water in well after application.

Entry Restrictions

Do not enter or allow others to enter treated area (except those involved in the watering-in) until the watering-in is completed and the surface is dry.

Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of area during application.

IMPORTANT USE PRECAUTIONS

DO NOT APPLY THIS PRODUCT ON OR OVER THE ROOT ZONE OF ORNAMENTAL TREES, SHRUBS, BEDDING PLANTS, FLOWERS, OR GARDEN PLANTS OR INJURY TO THESE PLANTS MAY RESULT. Do not apply to lawns containing grasses or mixtures of grasses other than those listed on the label or injury to these grasses may result. Do not apply to newly seeded Zoysia, Centipede, and Carpetgrass lawns until after the new grass has been mowed at least twice. Do not plant new sprigs for one month, or sow new grass seed for six months following the application of this product. May be applied to newly sprigged St. Augustine and Zoysia lawns one week after sprigging to prevent competition from germinating weeds. Do not plant any flower or vegetable gardens to treated areas for 18 months or injury may result. Apply this product only when grass blades are dry. When daytime temperatures are 80°F or above, water sufficiently to rinse particles off the grass. **Do not apply by hand or with a hand held spreader.**

CONTROLS OR SURPRESSES COMMON WEED TYPES

The product is designed to promote lush green growth in lawns and control or surprises many broadleaf weeds such as:

Mat Lippia (diagram) Dollar Weed (diagram) Chickweed (diagram) Knotweed (diagram)

Annual Bluegrass (poa annua)	Cutleaf Evening Primrose	Oxalis (common, yellow woodsorrel)

Annual Clover	Dichondra	Red Sorrel
Black Medic	Dollarweed	Rescue Grass
Blue Toadflax	Florida Betony (rattlesnakeweed)	Sandspur
Bull Paspalum	Florida Pusley	Shepards Purse
Buckhorn Plantain	Fragrant Cudweed (rabbit tobacco)	Spotted Spurge
Bur Clover	Henbit	Spurweed
Carolina Geranium (cransebill)	Knotweed	Stinging Nettle
Chickweed (common & mousear)	Lespedaza	Swinecrest
Common Purslane	Mat Lippia (matchweed, creeping charlie)	Venus Looking Glass
Crabgrass	Money wart	Virginia Creeper
Cudweed	Narrowleaf Vetch	Virginia Pepperweed
		Wild Mustard
		Yellow Nutsedge

Broadcast Spreader Settings

For one pass application: For best results, apply in a circular path starting on the outside and working toward the center. A little overlap of product will ensure complete coverage. (DIAGRAM OF PATH)

Note: following will be a listing of spreaders and settings: this will vary due to marks of spreaders (this statement will not appear on the final printed label)

Drop Spreader Settings

5/7

Back Panel

For one pass application: First apply 2 border strips along the edge of each end of the lawn. Then apply products along the length of the lawn, overlapping slightly and shutting off the spreader before turning as you reach the edge of the border strips. *(DIAGRAM OF PATH)*
Note: following will be a listing of spreaders and settings: this will vary due to market of spreaders (this statement will not appear on the final printed label)

To determine square footage of application area, follow calculation to the right. *(Diagrams to show how to determine square footage)*

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
PESTICIDE STORAGE: Store in the original container in a cool, dry area out of reach of children.
PESTICIDE DISPOSAL: If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Following is Optional for subregistrant:

Bayer Advanced Lawn® Triple Action Southern Lawn Fertilizer PLUS Weed Control kills unsightly weeds such as dollarweed, dandelion, matchweed, and oxalis while it nourishes your lawn. Its

6/7

Back Panel

Triple Action formula contains slow release nitrogen which continuously feeds the grass, roots and soil for up to two full months. And it's guaranteed not to burn. The result is a greener, thicker, weed-free lawn. You're just one application away from a better lawn... that's the Bayer Better Lawn Guarantee.

Triple Action Feeding works at every level for a Deep-Down Green!
Why is Triple Action better? By feeding at all levels, your lawn receives the primary nutrients it needs to thrive. This ensures thicker, green grass, stronger root systems, and richer soil-the keys to building a lush lawn that lasts.

- Grass Builds thicker, greener grass and enhances overall appearance
- Roots Builds stronger, deeper root systems which transport nutrients from the soil to the grass to help your lawn withstand heat-stress and drought.
- Soil Enriches and fortifies your soil. Rich, fertile soil provides a foundation for establishing roots and replenishes vital primary functions.

4-Step Annual Program

RE: Notification of Minor Label Change
SUBJECT: The Andersons Weed & Feed with Atrazine
EPA Reg. No. 9198-153

Per PR Notice 98-10 enclosed is an EPA Form 8570-1, an application notifying the Agency of a revision to the labeling for the subject registration. One copy of the revised labeling is also enclosed with the additions underlined and marked in blue.

We have made the following change by notification:

1. Added optional marketing statements for subregistrant:

Formulated to feed and control weeds in St. Augustine and other Southern Lawns
Formulado para alimentar y controlar malezas en césped San Agustin y en otros
céspedes del Sur
kills dollarweed, dandelion, & other southern weeds
Triple Action Feeding works at every level
Grass Greener, Thicker Lawn
Roots Stronger Root System
Soil Enriches & Fortifies Soil
Also for Carpetgrass, Gentipede, & Zoysia Lawns
100% Satisfaction (logo) A greener, thicker lawn guaranteed or your money back

Enclosed is a card indicating the acceptance or rejection of this notification. Please complete the card and return via mail. If there are any questions or comments regarding this notification, please feel free to contact me.

Sincerely,
The Andersons Lawn Fertilizer Division, Inc.
