Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

For use on turfgrass areas consisting of Kentucky bluegrass, annual bluegrass, bentgrass, perennial ryegrass, fine fescue, bermudagrass or mixtures where these grasses predominate.

TO PREVENT DOLLAR SPOT, ANTHRACNOSE AND RUST (*Puccinia* spp.), apply to moist or dry foliage at the RECOMMENDED RATE when environmental conditions favor disease activity. Repeat the application at two week intervals throughout the expected disease period.

TO CONTROL ACTIVE DOLLAR SPOT, ANTHRACNOSE AND RUST (*Puccinia* spp.), apply at the DOUBLE RATE to moist or dry foliage at two week intervals. When the disease activity is under control, apply at the RECOMMENDED RATE at two week intervals.

TO PREVENT BROWN PATCH, apply to moist or dry foliage at the **DOUBLE RATE** when environmental conditions favor disease activity. Repeat at two week intervals throughout the expected disease period.

TO CONTROL ACTIVE BROWN PATCH, use a non-fertilizer fungicide such as Andersons Golf Products Fungicide VII to limit the amount of fertilizer applied since high levels of nitrogen applied to turf during or just prior to the onset of hot, humid weather may increase the severity of brown patch. Follow with the **RECOMMENDED RATE** of either product once the disease is controlled.

Note carefully

To avoid product pickup, lightly irrigate treated areas soon after application.

On short cut bentgrass (less than 1/2") when temperatures are above 80° F, apply only to dry foliage.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a clean, dry place. Reseal opened bag by folding top down and securing. Protect from water and extreme heat.

PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:
