RE: Notification of Alternate Brand Name: **Andersons Golf Products Contec DG  
Dispersing Granule Technology 6-0-12 with  
Turf Enhancer**

EPA Registration Number: 9198-199  
Date of Submission: April 2, 2009

Dear Mrs. Ziehr:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated April 2, 2009, for the product , **TGR Winter Overseeding Enhancer**. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely,

Linda Arrington  
Notifications & Minor Formulations Team Leader  
Registration Division (7505P)

Dispersing Granule Technology

## 6-0-12

with Turf Enhancer™

• Provides deeper, extended greening of bentgrass and perennial ryegrass/Kentucky bluegrass fairways, tees and roughs, and overseeded greens and tees for up to 10 weeks

• Decreases the vertical growth of bentgrass, Kentucky bluegrass and perennial ryegrass while increasing turf quality and color uniformity

• Increases putting green turf quality and maintains color uniformity without surge growth through growth modification

GUARANTEED ANALYSIS		ACTIVE INGREDIENT:

## KEEP OUT OF REACH OF CHILDREN CAUTION PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals:** CAUTION. Harmful if swallowed. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Causes eye irritation. Do not contaminate feed or foodstuffs. Do not graze treated areas. Do not feed clippings to livestock.

### FIRST AID

**If in eyes:** • Hold eyes open and rinse slowly and gently with water for 15-20 minutes.  
• Remove contacts, if present, after the first 5 minutes, then continue rinsing.  
• Call a poison control center or doctor for treatment advice.

**If swallowed:** • Call a poison control center or doctor for treatment advice.  
• Have person sip a glass of water if able to swallow.  
• Do not induce vomiting unless told to by a poison control center or doctor.  
• Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** • Take off contaminated clothing.  
• Rinse skin immediately with plenty of water for 15-20 minutes.  
• Call a poison control center or doctor for treatment advice.

**If inhaled:** • Move person to fresh air.  
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.  
• Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-757-8951 for emergency medical treatment information.

**Environmental Hazards:** Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply to steep slopes near water or when weather conditions favor drift from target areas. Do not contaminate water when disposing of equipment washwaters.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use on bentgrass greens, ryegrass, and Kentucky bluegrass fairways, tees and roughs, and overseeded bermudagrass greens and tees only. Apply anytime turf is actively growing. Late fall applications to dormant turf are not recommended.

This product can be applied at 4 to 8 week intervals at the FULL RATE and 2 to 4 week intervals at the HALF RATE. The HALF RATE should be used on overseeded greens only after successful establishment. Applications should not be made after April 1st since late applications may temporarily delay resumption of bermudagrass growth and green-up in the spring.

On turf containing significant populations of *Poa annua*, HALF RATES should be used to avoid temporary discoloration.

### HOW TO USE

Apply to dry foliage. For best results, water in (at least 1/4 inch) within 48 hours after application. Continue normal cultural practices after application.

If weeds are a problem, use of the appropriate The Andersons Golf Products or other herbicide product will maintain the best turf appearance.

### RESULTS TO EXPECT

Greening of bentgrass and perennial ryegrass/Kentucky bluegrass turf areas and overseeded greens and tees will be deeper and, depending on rate and frequency, will last up to 10 weeks.

On overseeded greens, a more uniform and dense putting surface will result.

With repeat applications, growth of turf will be reduced resulting in improved density and playability of turf.

Increased tillering of ryegrass and reduction in stolon length of bentgrass have been observed. Lower water use rates of turf have been documented as well as a reduction in volume of clippings with repeated use.

### Program Scheduling

Apply at least 14 days after overseeding with perennial ryegrass.

If weeds, disease or insect problems occur, apply a recommended control product in the same manner as is normally practiced, since the use of this product is compatible with existing control products and cultural practices.

### PRECAUTIONS

Not for use on athletic fields under heavy traffic where maximum growth potential of turf is desired. Not for use on sod farms.

Not for use around shrubs, fruit trees, flowers or vegetable plants; however, applications to turf areas under the tree canopies will not affect or harm trees.

Do not use during periods of extreme environmental stress, such as heat, drought, or cold, or during heavy insect or disease activity. Best results occur when treated turf is not undergoing stressful conditions.

Do not apply before overseeded greens have been successfully established. Treatments made before this time may slow ryegrass establishment and discolor bermudagrass temporarily.

Heavy rainfall or irrigation after application in areas where the soil is already saturated may cause the active ingredient to move laterally on steep slopes and collect in low areas. These areas may undergo more severe growth control for a longer period of time. To avoid this response, do not apply when soil is already saturated.

Do not use spreader settings other than those recommended. Improper rates may cause undesirable turf growth control and areas may discolor temporarily.

Where large areas of the desirable turf have been thinned from winter damage, disease, or insects, withhold application until desired fill-in and rooting of the turf stand is achieved.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in original container only. In case of leak or spill, contain material and dispose of as waste.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

### IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

### WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. To the extent consistent with applicable law, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer's choice. To the extent consistent with applicable law, Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.

### LEGAL RIGHTS:

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE/JURISDICTION TO STATE/JURISDICTION. (RVamd051403)
