UKG-TWO is a concentrated detergent, disinfectant, sanitizer, fungicide and deodorizer. It is specifically designed for institutional use, such as Hospitals, Nursing Homes, and Schools, where disinfection of environmental surfaces is of prime importance.

UKG-TWO for use on floors, walls and other hard surfaces in Hospitals, Nursing Homes, Hotels, Public areas, Industrial areas and in institutions. It is excellent for operating rooms, rest rooms, nursery and food service areas.

Effective in schools, rest rooms, locker rooms, garbage pails, cafeteria, sink tops and offices.

WARNING: Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of milk or egg whites and call a physician immediately.
