

AUG 18 1987

Huber Janitor Supplies, Inc.  
114 North St. Francis  
Wichita, KS 67202

Attention: Ms. Dorothy Tillery

Gentlemen:

Subject: All-N-One Cleaner-Disinfectant-Deodorizing Wax Finish  
EPA Registration No. 9228-3  
Your Amendment Application Dated April 27, 1987

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. Delete the entire Phenol Coefficient claim.
  - b. Add the following misuse statement directly under the heading for use directions:
 

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment.

**HOSPITAL INSTITUTIONAL AND INDUSTRIAL USE Directions:**

1 To clean, disinfect, deodorize and wax floors, use 4 ounces of All-N-One per  
gallon of water. Apply solution liberally with mop and machine scrub if neces-  
sary. Pick up solution with mop or vacuum. All surface soil such as food spill-  
age, etc. will be removed from surface of floor but will not disturb wax film.  
Let dry and thoroughly buff. No Rinsing Required. Will not change floors that

water will not form. A daily maintenance program of wet  
is recommended for "mirror-like" floors.

2 To clean, disinfect and deodorize Painted, Enameled and  
use 4 ounces of ALL-N-ONE per gallon of water. Saturate  
and wet surface thoroughly and wipe dry. Surface may then  
a clean, dry cloth.

**WARNING — KEEP OUT OF REACH OF CHILDREN**

This product may cause skin irritation or damage to the eyes. Do not get in eyes or on skin. In case of contact with eyes, flood repeatedly with water.  
Do not take internally. Harmful if swallowed. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician immediately. Avoid contact.  
Remove and wash contaminated clothing before reuse. Rinse empty container thoroughly with water and discard it.
