Huber Janitor Supplies, Inc.
114 North St. Francis Street
Wichita, KS 67202

Attention: Dorothy Tillery
President

Gentlemen:

Subject: Spearmint F.C.-50 Cleaner, Disinfectant, Deodorant
EPA Registration No. 9228-4
Your Submission Dated October 15, 1987

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

1. Make the additional labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Revise your disposal statement to read:

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

(For metal containers)

Triple rinse (or Equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

CONCURRENCES

SYMBOL							
SURNAME							
DATE							

(For plastic containers)

Triple rinse (or Equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities, by burning. If burned, stay out of smoke.

The "STORAGE AND DISPOSAL" heading must be of the same type size as the child hazard warning statement.

- b. Rearrange the label parts so that the ingredient sections will be grouped together on the label. Refer to the enclosure titled "The Label" for placement of the various parts so that they will comply with the format labeling.
- c. Revise "Use Directions" to read "Directions For Use."
- d. The statement "Keep Out of Reach of Children" must be placed directly above the signal word "Warning."
- e. Revise the precautionary statement to read:

Precautionary Statements
Hazards To Humans and Domestic Animals

Warning: Keep Out of Reach of Children.
Causes eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

Note To Physician

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.

- f. The contact time is 10 minutes for the disinfection section.
- g. Include the method(s) of application (e.g., "by sponge, mop, or spray," or by "immersion in the solution" followed by a statement such as "to wet all surfaces thoroughly"). Refer to the DIS/TSS-15 enclosure.

2. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-6982.

Sincerely yours,

John H. Lee 
Product Manager (31)
Antimicrobial Program Branch
Registration Division (TS-767C)
