Attention: Kenneth C. Johnson
Product Manager

Subject: Advantage 128
EPA Registration Number 9232-9
Your Application Dated December 20, 1989

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you:

- 1) Make the following labeling revisions before you release the product for shipment bearing the amended labeling.
 - a) Under Hospital Use Directions include "nonporous, inanimate" after "hard" in item 1.
 - b) In the first paragraph under Description (top of left side panel), delete "in one operation" from the second sentence. No data have been submitted to support a one-step claim.
 - c) Revise the ingestion statement (Statement of Practical Treatment section) to read "If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician."
2. Submit five (5) copies of the revised final printed labeling for inclusion in the product file.
