U.S. ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (WH-567) WASHINGTON, D.C. 20460	EPA REGISTRATION NO. 9250-37	DATE OF ISSUANCE January 16, 1986
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT United 335	

**NOTICE OF PESTICIDE:**  REGISTRATION  
 REREGISTRATION  
 (Under the Federal Insecticide, Fungicide,  
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

United Laboratories  
 155 South Route 53  
 Addison, IL. 60101

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

- This product is conditionally registered in accordance with EPA section 6(e)(2)(A) provided that:
1. Labels and/or containers are clearly legible for the registration/condition of your product under EPA section 6(e)(2)(A) when the label is required on all registrants of such products to submit such data.
  2. The label phrase "EPA Registration No. 9250-37" is your label and you declare the product for shipment.
  3. Submit five copies of your final printed labeling label and one copy of product for shipment. Refer to the 4-79 label for a further description of final printing labeling.
- If these conditions are not complied with, the registration will be suspended in accordance with EPA section 6(e). Your label for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label will be returned for your records.

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 5(c)(7)(A) provided that:

1. The registrant/owner/manufacturer complies with the registration requirements of your product under EPA section 301(a) when the registrant/owner/manufacturer of similar products do not at such time.
2. The label phrase "EPA Registration No. 9250-37" on your label and on you release the product as shipped.
3. Submit two copies of your final printed labeling before you release the product for shipment. Refer to the 4-78 label for a further description of final printed labeling.

If these conditions are not complied with, the registration will be suspended in accordance with EPA section 6(e). Your label for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label will be returned for your records.
