

Sanitizer Q may be used to sanitize glassware, tableware, cooking utensils, dairy and food processing equipment. May be effectively used as a sanitizer, disinfectant and deodorant in food service operations, food plants, and where processing rooms and food processing equipment require a high degree of sanitation.

Guards against bacterial build-up when used on or around equipment, floors and walls.

Eliminates odors. Leaves surfaces smelling fresh and clean.

DANGER: KEEP OUT OF REACH OF CHILDREN. Causes eye damage and skin irritation. Do not get in eyes, on skin or clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID: Contact - flush eyes or skin with water for 15 minutes. See physician for treatment of eyes. Remove and wash all contaminated clothing before reuse. Ingestion - drink milk, egg white, gelatin or water. See a physician.

DIRECTIONS FOR USE

Sanitizing: preclean equipment. To sanitize dairy and food processing equipment or glassware, table and cooking utensils, use dilution of 1 oz./4 gallons of water; this dilution contains 200 ppm of active quaternary agent. No potable water rinse is required following use

10% QUATERNARY SANITIZING SOLUTION

Only For Sale To, Use, And Storage By Servicepersons

ACTIVE INGREDIENTS

- n-alkyl (60% C₁₂, 30% C₁₄, 5% C₁₆, 5% C₁₈) dimethyl benzyl ammonium chlorides 5.00%
- n-alkyl (68% C₁₂, 32% C₁₄) dimethyl ethylbenzyl ammonium chlorides . . . 5.00%
- INERT INGREDIENTS:** 90.00%

DANGER: KEEP OUT OF REACH OF CHILDREN

See Side Panel For Additional Information

Manufactured By

Frontier Chemicals Division, The Davies-Young Company
2700 Wagner Place, Maryland Heights, MO 63043

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 9282-8

of sanitizing solution at the 200 ppm active quaternary concentration.

NOTE: All food and food wrapping should be removed from the area before the product is used.

Disinfecting: For disinfecting walls, floors and inanimate surfaces using mop or sponge to apply a solution of 3-1/2 oz./5 gallons of water.

STORAGE AND DISPOSAL

STORAGE

Do not contaminate water, food or feed by storage or disposal. Do not store on side. Avoid creasing or impacting of side walls.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Do not reuse empty bottle. Wrap bottle and put in trash
