## BACK PANEL

A new germ proofing rug shampoo. Germ proofs carpet against growth of bacteria when used as directed. Also inhibits mildew and mold. Eliminates unpleasant organic odors. One pint of concentrate cleans up to 350 sq. ft.

Use dilution of this concentrate is 1-15.

Apply with shampooer (electric or manual) sponge or brush.

Odorless - economical - easy and fast to apply.

### Directions

1. Test small area for water colorfastness.
2. Remove furniture or place waxed paper under legs.
3. Vacuum thoroughly.
4. Mix one (1) part Rug Shampoo with fifteen (15) parts cool water.
5. Apply with two-foot strokes in one direction, than across same area at right angles.
6. While rug is moist, brush in one direction to avoid streaked appearance.
7. When dry, vacuum to remove loosened soil.

IMPORTANT: Do not soak. Quick usage keeps most accidental spills from staining.

### Caution

Concentrate can cause skin and eye irritation. Avoid contact with skin and eyes. Antidote: in case of contact immediately flush with plenty of water.

### Active Ingredients
