<b>U.S. ENVIRONMENTAL PROTECTION AGENCY</b> <b>OFFICE OF PESTICIDES PROGRAMS</b> <b>REGISTRATION DIVISION (WH-567)</b> WASHINGTON, D.C. 20460	EPA REGISTRATION NO. 9339-12	DATE OF ISSUANCE 15 January 1982
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

**NOTICE OF PESTICIDE:**  REGISTRATION  
 REREGISTRATION  
 (Under the Federal Insecticide, Fungicide,  
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code) *Best Available copy*

[ ] [ ] [ ] [ ]	[ ] [ ] [ ] [ ]	161 18 56529 1
--------------------------	--------------------------	-------------------------

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.  
 Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the provisions of Section 3(d)(7)(A) of the Act, since you have agreed that you will submit and/or cite all data required for registration/reregistration of your product under FIFPA Section 3(d)(5) when the Agency requires all manufacturers of similar products to submit such data.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.

James H. [unclear]

## FLEXABAR CORPORATION

140 Walnut Street, Northvale, New Jersey 07647 201-768-5570-71-72

## DIRECTION FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**DILUTION:** Dilute Flexitin Wood Treatment Concentrate with up to four parts by volume of mineral spirits, naphtha or equivalent solvent to make a ready-to-use solution containing not less than .75% Bis (tri-n-Butyltin) oxide by weight.

## APPLICATION

1. **Wooden Boat Hulls:** Wood must be dry and clear of paint for treatment to work for maximum penetration. Wet or damp wood will not accept petroleum based treatment. Several applications are advisable, allowing 1 or 2 days waiting period between applications. After last application, allow a waiting period of 5 days or more before applying a high performance paint to seal the treatment into the wood.
2. **Wooden Products:** This preservative is recognized as effective for above ground use, and not recommended for ground contact. This clear oil solution has been developed for the protection of wood against fungus growths which cause rot and stain. The diluted product can be applied to millwork and other wood products by various methods including immersion, brushing and flooding. All wood should be dry, and the framing or cutting completed before application of this product. The diluted product will be effective only in the areas of the wood contacted by the solution. Therefore, thoroughness of treatment is essential.

**COVERAGE:** One gallon should cover approximately 500 square feet per coat depending on the roughness and porosity of the wood.

## STORAGE AND DISPOSAL

**Prohibitions:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**Household:** Do not reuse empty container (bottle, can, bucket). Wrap (container) and put in trash collection.

**Pesticide Disposal** (except household) Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local procedures.

**Container Disposal** (except household)

**Metal Containers—**Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

**General:** Consult Federal, State and local disposal authorities for approved alternative procedures.

## PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals.

## WARNING:

May be fatal if swallowed, may be absorbed through skin. Causes skin irritation. Do not get in eyes, on skin or on clothing. Do not breathe vapor or spray mist. Wear protective clothing and rubber gloves when handling this product or freshly treated lumber.

## USE WITH ADEQUATE VENTILATION

Vapor: May cause injury if adequate ventilation is not insured. Do not use this product indoors, or any other confined areas, where vapors may concentrate and cause injury to plant or animal life. Keep containers closed when not in use.

## PHYSICAL OR CHEMICAL HAZARDS

**COMBUSTIBLE:** Do not use, pour, spill or store near heat or open flame.

**IN CASE OF FIRE:** Use dry chemicals, foam, water fog or CO<sub>2</sub>. Cool closed containers with water.

## ENVIRONMENTAL HAZARDS

This product is toxic to domestic animals. Treated sawdust and other wastes should not come in contact with domestic animals. Avoid contamination of feed or foodstuffs.

This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Treated sawdust and other wood wastes should not be used as mulch where it will come in contact with useful living plants. Care should be taken to prevent drip or spray from contacting ornamental shrubs, trees, grass and other desirable vegetation.

**NON WARRANTY:** The information presented in this label is based upon the research and experience of Flexabar and is to the best of its knowledge accurate; however, no guarantee of its accuracy is made. Since Flexabar has no control over the conditions under which its products may be employed, and since information as to the physiological and other properties of its products is incomplete, Flexabar cannot guarantee the results obtained and assumes no liability whatsoever for possible damage or injury whether or not caused by following the suggestions in this label. Flexabar will not be liable for resulting or consequential damage, Flexabar warrants that none of its commercial products infringes the claims of any United States patent but no license is granted nor recommendation made hereby to practice any invention covered by any patent owned by Flexabar or by others.
