

Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product as a space spray in these areas, apply only when plant is not in operation. Do not remain in enclosed treated areas and ventilate the area after the treatment is completed

**Spray in Corners,
Under Sinks, Bathrooms,
And All Possible
Contaminated Areas**

DIRECTIONS

To kill ROACHES, WATERBUGS, SILVERFISH — Thoroughly spray infested areas working spray into cracks and other hiding places. When possible spray the insects directly. Repeat when necessary. To kill ANTS in buildings, follow directions for killing roaches, etc. Spray ant trails and areas around door sills and window frames where the pests enter premises. Repeat when necessary.

To kill FLIES, MOSQUITOES and GNATS — Close doors and windows of infested area. Fill infested area with mist using hand or electric atomizer. Allow sprayed area to remain closed for 10 minutes, then sweep up and destroy fallen insects. Repeat when necessary.

To kill MOTHS and CARPET BEETLES — Thoroughly spray clothing or carpets, particularly the seams or folds. Closets and storage containers should be filled with fine mist and remain closed for 30 minutes after spraying. Spray into any cracks or other hiding places. Repeat every month unless articles are stored in a moth-tight container.

CAUTION

Contains petroleum distillate.

Avoid breathing vapors.

May be harmful or fatal if swallowed.

If swallowed, DO NOT INDUCE VOMITING. See a physician.

Avoid contact with skin, eyes, or clothing.

In case of contact with skin or eyes, wash thoroughly and repeatedly with water and call physician.

Do not spray near or toward open flame. Do not smoke while spraying. Remove or cover exposed foods before spraying. Cover or remove aquaria in areas to be treated.

SAFE STORAGE & DISPOSAL INSTRUCTIONS:

Combustible mixture.
KEEP AWAY FROM HEAT AND OPEN FLAME
DO NOT cut drum with torch as explosion may result.

DO NOT refill this drum.
DO NOT USE THIS CONTAINER FOR STORAGE OF ANY OTHER CHEMICAL

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

DO NOT contaminate water, food, or feed by storage or disposal. "Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance."

Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
