

This germicidal cleaner performs dual functions: an a powerful germicide and a heavy duty cleaner. It may be used in hospitals, institutions, food processing plants, schools, and industrial buildings to clean, disinfect or deodorize.

Effective at 2 oz. per gallon against Staphylococcus, Aureus, Salmonella, Typhoid, Salmonella Choleraesuis, Pseudomonas Aeruginosa, and Trichophyton Interdigitale as determined by A.O.A.C. Procedures, 11th Edition.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

General Information - Lightly soiled hard surfaces can often be cleaned, disinfected and deodorized by a one step treatment. Do not mix with soap or anionic detergents.

Floors - For regular mopping of all types of floorings, except natural finished wood, use 2 oz. per gallon of germicidal cleaner. Rinsing is not required. Scrub heavily soiled floors with a stronger solution and then rinse them.

Wall, Woodwork, Venetian Blinds, Leather, Plastic - To clean and disinfect, wash with 2 oz. per gallon of germicidal cleaner and wipe off the excess solution with a cloth or sponge. Rinsing is unnecessary.

Aluminum, Stainless Steel, Filing Cabinets, Lockers - Scrub lightly with a solution of 2 oz. per gallon of germicidal cleaner. Wipe dry with a clean cloth or sponge.

Surgical Instruments - Preclean to remove all blood and serious exudates. For cold disinfection, immerse precleaned instruments in a fresh solution containing 3 oz. per gallon of germicidal cleaner for 10 minutes.

 "SOLUTIONS FOR A CLEANER WORLD"

WARNING
 Do not get in eyes, on skin, or on clothing.
 Harmful if swallowed. Avoid contamination of food. Rinse empty container with water and discard it.
First aid - In case of contact with eyes, flush with plenty of water and seek medical attention. In case of contact with skin, immediately flush with plenty of water. See a physician if severe irritation develops.
Antidote - If swallowed, promptly drink a large quantity of water followed by egg white or gelatin. See a physician.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE - Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL

*Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
