SUBJECT: AMA-3510
EPA Registration Number: 9386-14
Application Dated: January 9, 2003
Receipt Date: January 14, 2003

Dear Mr. Hinton:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

- Revise First Aid Statements as per PR Notice 2001-1

Conditions

Revise the label as follows:

1. Revise the "Directions for Use":

Delete the phrase "Treatment Directions". This is unnecessary, as you have already included the phrase: "Directions for Use".

2. Revise the "First Aid" statement as follows:

A. Revise the order of the statements such that the "If In Eyes" is immediately followed by "If on Skin or Clothing". Follow with "If Swallowed" and finally "If Inhaled".

B. Revise the "If Swallowed" statement to read "Do not induce vomiting..."

3. Based on the active ingredients in your product, revise the "Precautionary Statements" to be in agreement with other similar products which are currently on the market. Revise to read exactly as follows:

"DANGER. Corrosive. Causes irreversible eye damage and *skin burns*. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, safety glasses, or face shield), *protective clothing*, and rubber gloves. *Harmful if swallowed*. Avoid breathing vapors. *Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.*"

4. Revise the "Storage and Disposal" statements as follows:

A. Revise "Storage" to read "*Pesticide Storage*".

B. Your Application for Pesticide indicates that this product is marketed in plastic containers. Delete the "Container Disposal" language for metal containers.

General Comments

A stamped copy of the accepted labeling is enclosed. Submit one (1) copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions concerning this letter, please contact Tracy Lantz at (703) 308-6415.

Sincerely,

Velma Noble
Product Manager (31)
Regulatory Management Branch I
Antimicrobials Division (7510C)

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

TREATMENT DIRECTIONS INDUSTRIAL AND COMMERCIAL RECIRCULATING COOLING TOWERS:

1. INITIAL DOSE: To a clean system with no visible algae or microbial slime, add 3 gallons of AMA®-3510 per 10,000 gallons of cooling water. If algae or microbial slime are visible, add 6 gallons of AMA®-3510 per 10,000 gallons of water. Repeat until control is achieved. Badly fouled systems must be cleaned before beginning treatment.

2. MAINTENANCE DOSES IN TOWERS WITH CONTINUOUS FEED EQUIPMENT: After adding the first dose and achieving control, maintain a level of 10 ppm of active ingredient by adding AMA®-3510 continuously at a rate of 1 gallon per 10,000 gallons of "bleed-off". If algae or slime begin to grow, add a "slug-dose" of 3 gallons of AMA®-3510 per 10,000 gallons of cooling water. Follow the "slug-dose" by maintaining a level of 10 ppm of active ingredient.

3. MAINTENANCE DOSES IN TOWERS WITHOUT CONTINUOUS FEED EQUIPMENT: After adding the initial dose and achieving control, add 1 to 3 gallons AMA®-3510 per 10,000 gallons of cooling water once weekly or more often to prevent the growth of algae or slime. If growth occurs, add a "slug-dose" of 3 to 6 gallons of AMA®-3510 per 10,000 gallons of cooling water and then maintain a level of 10 ppm of active ingredient.

NOTE: AMA®-3510 must be added at a point in the cooling system where it can mix uniformly into the circulating water.

AMA®-3510

ANTIMICROBIAL AGENT

Active Ingredient:

n-Alkyl (50% C14, 40% C12, 10% C16) dimethyl-

benzyl ammonium chloride.....10%

Inert Ingredients:.....90%

TOTAL.....100%

KEEP OUT OF REACH OF CHILDREN DANGER

First Aid	
If in eyes:	<ul style="list-style-type: none">- Hold eye open and rinse slowly and gently with water for 15-20 minutes- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.- Call a poison control center or doctor for treatment advice.
If swallowed:	<ul style="list-style-type: none">- Call poison control center or doctor immediately for treatment advice.- Have person sip a glass of water if able to swallow.- Do not induce vomiting unless told to do so by the poison control center or doctor.- Do not give anything by mouth to an unconscious person.
If on skin or clothing:	<ul style="list-style-type: none">- Take off contaminated clothing.- Rinse skin immediately with plenty of water for 15-20 minutes.- Call a poison control center or doctor for treatment.
If inhaled:	<ul style="list-style-type: none">- Move person to fresh air- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.- Call a poison control center or doctor for further treatment.
Have product container, label or label information with you when calling a poison control center or doctor or going for treatment.	
Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage. This product may pose an aspiration pneumonia hazard.	
Contact CHEMTREC at 800-424-9300 for additional information See side panel for additional precautionary statements	

PRECAUTIONS

HAZARDS TO HUMANS

DANGER. Corrosive. Causes severe burns. Do not get in eyes, on skin or on clothing when handling. Avoid breathing vapors internally. Wash thoroughly after handling.

ENVIRONMENTAL HAZARDS: Do not discharge this product into lakes, streams, or other bodies of water in accordance with the requirements of the National Pollutant Discharge Elimination Act (NPDES) permit and the permitting authority. Do not discharge effluent containing this product into navigable waters without notifying the local sewage treatment plant, state Board or Regional Office of the EPA.

STORAGE

Do not contaminate water.

STORAGE: Protect from freezing and store closed when not in use. If contents are liquid with absorbent material and disposed in accordance with local, state, and federal disposal regulations.

PESTICIDE DISPOSAL: Pesticide products, excess pesticide, spray mixture, or residue cannot be disposed of by use according to the Environmental Control Agency, or the Regional Office for guidance.

CONTAINER DISPOSAL: Metal containers may be recycled or reconditioning, or punctured and disposed of by state and local procedures approved by state and local authorities (equivalent). Then offer for recycling, sanitary landfill, or incineration, or, if burned, stay out of smoke.
