FOR USE ON NON CROP AREAS

DIRECTIONS: For use on non-crop lands such as Parks, Parking Lots, Power Line and Railroad Right of Ways, Industrial Areas, Lumber Yards, Tank Farms, Storage Areas, around buildings, along sidewalks and driveways for control of most annual and perennial grasses and broad-leaved weeds. The effectiveness and length of time that control will last will depend on type of soil, amount of rain and other conditions.

RATE: Under ordinary conditions use at the rate of 1 to 2 gallons diluted to 12 gallons with water and apply to 500 square feet of area. (1 to 2 quarts diluted to 3 gallons with water and apply to 125 square feet.) Under conditions where the weeds are difficult to control use at the rate of 3 gallon, diluted to 12 gallons with water and cover 500 square feet. (3 quarts diluted to 3 gallons with water and cover 125 square feet).

HOW TO APPLY: Make application with sprayer or sprinkling can that will distribute the required amount evenly over the area to be treated. Use a coarse spray to reduce drift. Application may be made when top growth is dense, but better control will be obtained when weeds are short, or when excess growth is mowed and removed before applying.

WHEN TO APPLY: Best results will be obtained if applied shortly before or at the time plant growth begins. Rain or thorough watering after application will cause the material to move down to the root zone and thus speed up control.

Contains .25 lbs. of Monuron Trichloroacetate per gallon.

DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME

Product No. 2255

NET CONTENTS - ONE GALLON

NON - SELECT GRASS & WEED KILLER

Active Ingredients:	
Monuron Trichloroacetate (3-(p-chlorophenyl)-1,1-dimethylurea trichloroacetate	3.19
Aromatic Petroleum Derivative	91.67
Inert Ingredients	5.14
Total	100.00

WARNING: KEEP OUT OF REACH OF CHILDREN
See Right Panel for Additional Cautions

SHAKE WELL BEFORE USING.

WARNING: HARMFUL IF SWALLOWED.

Irritating to skin and eyes.
Do not get on skin, in eyes, or on clothing.

In case of contact, immediately wash skin with plenty of water, for eyes, wash with water for at least 15 minutes and get medical attention.

Destroy container when empty. Flush out thoroughly with water and drain where flush water can be run off without harm. Destroy container so that it may not be used again for any purpose and dispose of it, at some location where no attempt to salvage will be made.

NOTE: Do not apply, allow to drift or drain or flush equipment on to or near croplands, lawns, trees or other desirable plants or to areas where their roots will extend. Do not contaminate irrigation ditches or any other body of water. Do not allow contact with fertilizers, insecticides, fungicides or seeds. Application equipment should be thoroughly cleaned with a detergent and water to prevent corrosion. Equipment which has been used to apply this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals, as plant injury may result.

WARRANTY: Conditions of use are beyond Seller's control. Seller's liability is limited to products replacement or purchase price refund. Seller makes no warranty, express or implied, concerning products use beyond claims on label.
