STATEMENTS OF PRACTICAL TREATMENT

If Swallowed - Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching finger to back of throat. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

If On Skin - In case of contact, remove contaminated clothing and wash skin with soap and water immediately.

If In Eyes - Flush eyes with plenty of water for 15 minutes. Call a physician.

If Inhaled - Remove victim to fresh air. Apply Artificial Respiration if indicated.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

GUARANTEED ANALYSIS

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Sears Superfine Lawn Pest Control PLUS Fertilizer is a high analysis, fast-acting fertilizer that gives lawns a vigorous green color and also protects against damaging turf insects with Dursban[®] Insecticide.

INSECTS CONTROLLED – Ants, Earwigs, Chinch Bugs, Fall Armyworms, Brown Dog Ticks, Cutworms, Mole Crickets, Sod Webworms, Leafhoppers, Spittlebugs, Chiggers, Clover Mites, Crickets, Fleas, and Grasshoppers.

HOW MUCH TO USE – Apply contents of this bag (20 lbs.) to treat 5,000 sq. ft. of turf for all insects as listed above. Equal to 176 lbs. per acre.

WHEN TO USE – Apply in early spring and again in the summer to give the turf a full balanced fertilization with the insecticide treatment. Apply when temperatures are 90° F or less and when insect infestations show damage to the turf or when their damage is eminent.

HOW TO APPLY – Apply to turf areas uniformly using hand or power operated gravity or rotary type fertilizer spreader. Thoroughly water the area after treatment using 30 gallons water per 1,000 sq. ft. to wash the insecticide-fertilizer granules into the zone of insect infestation. To help obtain even distribution, it is suggested that 1/2 the required amount be applied in one direction; then the remainder at right angles to the first application. Consult the following chart to determine the amounts of this product and water required for small areas.

Keep children and pets off treated areas until the material has been washed into the soil and the turf is dry.

SMALL AREA RATES

Area Treated	Pounds of Product	Gallons water to sprinkle on Turf after Treatment
1,000 Sq. Ft.	4 Pounds	30 Gallons
2,500 Sq. Ft.	10 Pounds	75 Gallons
5,000 Sq. Ft.	20 Pounds	150 Gallons
10,000 Sq. Ft.	40 Pounds	325 Gallons

SPREADER SETTINGS

The following settings are approximate for applying contents of this package at suggested rate of 4.0 Pounds per 1,000 Sq. Ft. Settings are based on an average walking speed. Reduce setting for slower speed; raise setting for high speed.

STA-GREEN	4 1/2	SCOTT (R) Precision Flow	7
CYCLONE (R)	4 1/2	SEARS 20 INCH	9
SEARS BROADCAST	4 1/2	IMPERIAL MARK III	9
IMPERIAL ROTO	4 1/2		
SPRED MARK IV	4 1/2		

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: May be harmful if swallowed. Do not take internally. Avoid eye contamination. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. Wash thoroughly after handling and before eating or smoking. Wash contaminated clothing before reuse. Keep away from food, feedstuffs and domestic water supplies. Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

ENVIRONMENT HAZARDS

This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

STORAGE AND DISPOSAL

Storage: Keep pesticide in original container. Store in a cool, dry place, preferably in a locked storage area.

Pesticide Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Container Disposal: Do not reuse bag. Discard bag in trash.

NOTICE: Buyer assumes all risk and liability of use, storage and/or handling of this material not in accordance with the terms of this label.
