<p><b>NOTE:</b> Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p>							
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p> <p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.</li> <li>2. Add the phrase "EPA Registration No. 9404-65" to your label before you release the product for shipment.</li> </ol> <p>The additional brand name listed below, submitted in connection with the above-referenced product registration, is acceptable, and our records have been adjusted to reflect this additional name. This acceptance is given with the understanding that the label for the additional brand name will be like the registered label in every particular except for product name, associated artwork, and you may delete, but not add, sites and pests.</p> <p style="text-align: center;"><u>ADDITIONAL BRAND NAME</u></p> <p style="text-align: center;">Green Dr. Diazinon 25% Concentrate</p>							
<p><input type="checkbox"/> ATTACHMENT IS APPLICABLE</p>							
<p>SIGNATURE OF APPROVING OFFICIAL</p>	<p>DATE</p> <p style="text-align: center;">6/30/86</p>						

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Registration Division (TS-767C)

Enclosures

**NOTE TO PHYSICIAN:** Contains an aromatic solvent. Gastric lavage is indicated if material was taken internally. If symptoms of cholinesterase inhibition are present, atropine sulfate is antidotal. 2-PAM is also antidotal and may be administered, but only in conjunction with atropine.

**WARNING:** Karmyl is swallowed. May be absorbed through the skin. Do not breathe spray mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling and before eating or smoking. Avoid contamination of food and feedstuffs. Keep out of reach of domestic animals. Do not use on humans, pets or livestock. Keep children and pets off treated areas until material is washed into the soil and the grass is dry. Do not contaminate ornamental fish ponds. Do not use in the home. Kitchen utensils such as tablespoons and measuring cups must not be used for food purposes after use in measuring pesticides.

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife feeding on treated areas may be killed. Do not apply directly to water or wetlands. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Do not contaminate water by cleaning of equipment or disposal of wastes.

Do not use, pour, spill or store near heat or open flame.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store product in original container in a cool, dry, locked place out of reach of children. **DISPOSAL:** Do not re-use empty container. Wrap and put in trash.

**NOTICE:** Buyer assumes all risk and liability of use, storage and/or handling of this product not in accordance with the terms of this label.

**Step #1:** Determine the size of the spraying job. **FOR LAWNS & VEGETABLES:** Measure the area to be sprayed. For all other applications, apply as a thorough cover spray. Make application when the listed insect pests first appear. Repeat applications as needed as listed in the rate chart.

**Step #2:** Use a Clean Sprayer. Carefully measure and mix amount of 25% Duazon Liquid Concentrate and water as recommended in the mix chart.

1 FL OZ. = 6 teaspoons or 2 tablespoons.

Step #3: Spray as directed in rate chart. Thorough coverage is important. Flush sprayer with clean water after each use. Use the contents of this product container within 6 months after opening.
