<div style="border: 1px solid black; padding: 10px;"> <div style="display: flex; justify-content: space-between;"> <div style="width: 80%;"> <p> <input type="checkbox"/> Suniland Corporation            P.O. box 1697            Sanford, FL 32771         </p> </div> <div style="width: 10%; text-align: center;"> <p>┌</p> <p>└</p> </div> </div> </div>		
<p><b>NOTE:</b> Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p> <p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.</li> <li>2. Make the labeling changes listed below before you release the product for shipment:           <ol style="list-style-type: none"> <li>a. Add the phrase "EPA Registration No. 9404-75."</li> <li>b. Delete the signal word "WARNING" and replace with "CAUTION" everywhere it appears on the labeling.</li> <li>c. In the Hazards to Humans section incorporate the following statements:               <div style="margin-left: 40px;"> <p>Harmful if swallowed, inhaled, or absorbed through skin. Repeated contact with skin or contact with open cuts or sores may increase the hazards associated with the product.</p> </div> </li> </ol> </li> </ol>		
<div style="display: flex; justify-content: space-between; align-items: center;"> <div> <input type="checkbox"/> ATTACHMENT IS APPLICABLE         </div> <div style="border: 2px solid black; padding: 5px; font-weight: bold; font-size: 1.2em;">           BEST AVAILABLE COPY         </div> </div>		
SIGNATURE OF APPROVING OFFICIAL		DATE SEP 21 1987

- d. In the Environmental Hazards section delete the quotation mark (") and the repeated statement "Do not apply directly to water." You may delete "Apply this product only as specified on this label."
- e. Delete the Pesticide Disposal Statement. "Disposal on site . . ." is inappropriate for a household product.
- f. The term "new" can only be used on this product's labeling for a period of 1 year from the date of registration.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** Harmful if swallowed. Avoid contact with skin. Do not breathe spray mist. Wear protective clothing when handling this product including long pants, long sleeved shirt, and impermeable gloves & boots. Wash clothing before reuse. Wash hands after using and before eating or smoking. Avoid contamination of feed and foodstuffs. Keep children and animals off treated areas until spray has dried or has been washed into the soil. *Repeated contact*

**ENVIRONMENTAL HAZARDS** *with skin or contact with aquatic life*

Do not contaminate water by cleaning of equipment or disposal of wastes. Do not spray or allow to drift onto food, forage, vegetables, ornamentals or other desirable plants. Do not apply when weather conditions favor drift from target areas. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Do not apply where runoff is likely to occur. Do not feed or graze treated foliage to livestock. This product is toxic to fish and wildlife. Do not apply directly to water. Birds and other wildlife in treated area may be killed. Apply this product only as specified on this label.

**BEST AVAILABLE COPY**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store product in its original labeled container in a cool, dry, locked place out of reach of children. Do not store near fertilizer, seeds, insecticide or fungicides. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved wastes disposal facility. **CONTAINER-DISPOSAL:** Do not re-use empty container. Wrap and put in trash.

**KILLS WEEDS & GRASSES IN WALKS, UNDER FENCING, IN GRAVEL & ASPHALT DRIVEWAYS, PARKING AREAS AND PATIOS, AROUND COMMERCIAL BUILDINGS AND WAREHOUSES, WEED CONTROL ON UTILITY EASEMENTS**

**KILLS ANNUAL WEEDS & GRASSES IN DORMANT BERMUDAGRASS**  
**FOR USE AROUND THE HOME, APARTMENT COMPLEX OR CONDOMINIUM**  
**ACTS AS A CHEMICAL GRASS EDGER**  
**KEEPS GRASS FROM CREEPING INTO UNWANTED AREAS**

**WHERE TO USE**

**DRIVEWAYS, PATIOS, WALKS, TREE WELLS, around SHRUBS & FLOWER BEDS, around and beneath FENCES; in GRAVEL, BARK or PEAT MOSS GROUND COVER and/or MULCH; PARKING LOTS ETC.** Use as a "spot weed treatment" in lawns or at the edges of areas wherever weeds or creeping Bermuda present a problem. For best results, treat weeds in the early growing stage when moisture and high temperatures are promoting vigorous growth.

**FOR QUICK AND EASY SPOT WEED TREATMENT AND CLEAN-UP OF THE ABOVE GROUND WEED GROWTH OF THE FOLLOWING BROADLEAF AND GRASSY WEEDS:**

**PARTIAL LISTING OF WEEDS**

Annual Blue Grass, Chickweed, Crabgrass, Florida Pusley, (Grasses which creep over, under or around Lawn Edging; and that have grow-up through Paved Patios, Walkways, and Driveways such as Bahia Grass, Bermudagrass, Centipedegrass, St. Augustinegrass, & Zoysiagrass), Foxtail, Garden Spurge, Goosegrass, Henbit, Knotweed, Lambsquarter, Mayweed, Oxalis, Pigweed, Prickly Lettuce, Purslane, Puncture Vine, Redroot Pigweed, Sandspur, Shepards Purse, Sowthistle, Smartweed, St. Augustine grass, Velvetweed, Wild Geranium,

DIQUAT CHEMICAL CODE #032201 NEW LIQUID LAWN EDGER

#### GENERAL INFORMATION

This product is a Ready To Use weed killer which provides the home owner a product to control annual weeds and grasses and to give effective top kill of troublesome perennial broadleaf weeds and grasses. With one application susceptible weeds "brown out" and are controlled. Respray perennial weed "top-growth" when patches of green reappear. If perennial weed growth is a serious problem ask your Garden Shop for a "Residual" or a "Bare Ground" type weed killer for that purpose.

#### HOW TO APPLY

Shake contents thoroughly. Apply directly from this container by pointing container down at weeds and squeezing bottle to "sprinkle-spray" the weeds enough to completely wet the weed foliage that you want to kill OR the product may be transferred to a Hand Trigger Type Sprayer for "Pin-Point" spray application. For storage return all unused liquid to the original labeled container. Kills the above ground weed growth as a contact weed killer. Desirable plants, if accidentally sprayed, may be saved by immediately washing off the spray or pruning the area touched by the spray.

#### WINTER ANNUAL WEED CONTROL IN ESTABLISHED DORMANT BERMUDA GRASS

Apply Only to Dormant Ornamental and/or Recreational Bermudagrass (Do not apply to Food or Feed Crops): For use in the suppression of Emerged Annual Broadleaf Weeds and Grassy Weeds Including Little Barley, Annual Bluegrass, Bromes, Buttercup and Carolina Geranium in Established Dormant Bermudagrass Lawns. Directly treat weeds wetting them just to point of spray runoff. For Little Barley apply in early growth stages. Application to actively growing Bermudagrass will cause delay or permanent injury to the turf. Do not allow spray to drift onto ornamental plants or food crops.

NOTICE: Buyer and user assume all risk and liability of use, storage and/or handling of this product not in accordance with the terms of this label.
