

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

H.R. McLane
Agent for Sunniland Corporation
7210 Red Road, Suite 206A
Miami, Florida 33143-5321

JUL 25 2008

Subject: Label Notification(s) for Pesticide Registration Notices 2007-4

Dear Mr. McLane:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notices (PRN) 2007-4 dated June 26, 2008 for:

EPA Registration 9404-88

**Sunniland Chinch Bug and Mole Cricket
Spray**

EPA Registration 9404-87

**Sunniland Permethrin 0.25% Insecticide
Granules**

The Registration Division (RD) has conducted a review of this request for applicability under PR Notices 2007-4 and finds that the label changes requested falls within the scope of PR Notices 2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Nicole Williams of my staff at 703-308-8893.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda", written over a horizontal line.

Linda Arrington

READ ENTIRE LABEL BEFORE USING

Read the entire Directions for Use, Conditions, Disclaimer of Warranties, and Limitation of Liability before using this product.

If the terms are not acceptable, return the unopened container at once. By using this product, user and buyer accept the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However it is impossible eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of SUNNILAND. All such risks shall be assumed by the user or buyer. **Disclaimer of Warranties:** There are no warranties express or implied, of merchantability or of fitness for a particular purpose or otherwise, which extend beyond the statements made on this label. No agent of SUNNILAND CORP. is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. SUNNILAND disclaims any liability whatsoever for special, incidental, or consequential damages resulting from the use or handling of this product.

LIMITATION OF WARRANTIES: The exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract warranty, tort, negligence, strict liability or other-

FIRST AID -
IF SWALLOWED - Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.
IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center, or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice. See side panel for additional Precautionary Statements

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid inhalation of dust. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Avoid contamination of food and feed.

ENVIRONMENTAL HAZARDS
This product is extremely toxic to fish. Do not apply directly to water. Drifts and runoff from treated areas may be hazardous to aquatic organisms in treated areas. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product is permitted for outdoor use around the home. May be used on Ornamental and recreational Turfgrass areas. Not for use on Sod or Turf Farms. For outdoor perimeter insect control around homes, commercial, and Industrial buildings.

Barrier Treatment around the Home
The following pests are commonly found around or near foundations of homes as well as in lawns. Some pests attempt to enter the home. To prevent insect entry into the home apply around the home foundation a 3 to 5 foot barrier band of granules using 2 lbs. per 1,000 sq.ft. of band. This will control Ants, Fleas, Brown dog ticks, Clover mites, Crickets, Earwigs, Millipedes, Silverfish, Sowbugs (Pillbugs). Water lightly after application. Repeat as needed.

STORAGE AND DISPOSAL
STORAGE: Store this product in its original container in a dry, cool, secured area. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.
PRODUCT DISPOSAL: As a responsible environmental practice, where possible, it is recommended that all of the contents of the bag be used, carefully following label directions and precautions.
IF EMPTY: Nonrefillable bag. Do not reuse or refill this bag. Place in trash or offer for recycling if available.
IF PARTLY FILLED: Call your local waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain. **SPILL:** In case of spill, sweep up and dispose of material according to PRODUCT DISPOSAL directions listed above. 06-25-08

PRODUCT BATCH CODE NO.

Directions for Applying Permethrin 0.25% Granules

Treatment Areas	Target Pest	Remarks	Use Rate
Band Treatment Around outside of House Foundation	Ants, Fleas, Brown dog ticks, Millipedes, Clover mites, Roaches, Spiders, Silverfish, Sowbugs (Pillbugs), Crickets, Earwigs	These pests are commonly found around or near foundations of houses as well as in lawns. Certain of these pests may enter houses. Apply a 5 foot band of granules uniformly around the dwelling. Water lightly after application. Repeat as needed but not more than 4 times per year.	3.2 oz. For each 100 sq. ft. area (5 ft. by 20 ft.) Or 2 lbs./1,000 sq. ft. - equal to 87 lbs./acre.
Overall Lawn Applications for all turf Grass and Dichondra Lawns	Surface Insects: Ants, Armyworms, Brown dog ticks, Cinch bugs, Clover mites, Crickets, Cutworms, Earwigs, Fleas, Lawnmoths Sod (webworms), Leafhoppers, Millipedes, Sowbugs	Apply with a fertilizer spreader. See spreader settings chart on this label. Apply when grass is dry. It is not necessary to water in the insecticide for control surface insects. Repeat if new insects appear, but not more than 4 times per year.	For application with other types of equipment apply at the rate of 2 lbs. per 1,000 sq. ft. or 3.2 Oz./100 sq. ft. For heavy growth lawns such as St. Augustine grass, increase rate to 3 lbs. per 1000 sq. ft. equal to 4.8 oz. per 100 sq. ft.
Spot Treatments	Ants	After applying granules lightly spray water mist the treated area with a sprayer or lightly sprinkle the treated area.	Apply 4 to 6 level tbsps. on and around each ant hill. Repeat if insects appear.
IMPORTED Fire Ants	Fire Ants	Wear protective household gloves while using. Thoroughly and gently spray water mist or lightly sprinkle each fire ant mound after applying granules. Repeat if ants reappear. Forceful application may simply cause ants to migrate, reducing product effectiveness. Apply in cool weather, 65 to 80 degrees F. or in early morning or late evening hours. Treat new ant mounds if they appear.	Gently apply 1/2 to 1 cup of granules over and around each Fire Ant Mound. Product works within 24 hours. Repeat if a few ants remain.
Soil Insects	Billbug Grubs, White Grubs, Japanese beetle grubs, Atanidius Grubs, phyllaphaga June Beetle Grubs.	For control of all soil insects apply 1/4 to 1/2 inch water after application to release the insecticide to the soil level. For billbug control apply when activity is first observed or when chewed or brown grass indicates grass root damage. Repeat in one week. For white grubs treat between mid-July and early October. For southern lawns, if needed, treat again in Nov. or Dec.	For these soil insects use the rate of 2.5 lbs. per 1000 sq. ft. equal to 109 lbs./acre.

Sunniland PERMETHRIN 0.25% INSECTICIDE GRANULES

READ ENTIRE LABEL BEFORE USING

Read the entire Directions for Use, Conditions, Disclaimer of Warranties, and Limitation of Liability before using this product.

If the terms are not acceptable, return the unopened container at once. By using this product, user and buyer accept the following Conditions, Disclaimer of Warranties and Limitations of Liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However it is impossible to eliminate all risks associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of SUNNILAND. All such risks shall be assumed by the user or buyer. **Disclaimer of Warranties:** There are no warranties express or implied, of merchantability or of fitness for a particular purpose or otherwise, which extend beyond the statements made on this label. No agent of SUNNILAND CORP. is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. SUNNILAND disclaims any liability whatsoever for special, incidental, or consequential damages resulting from the use or handling of this product. **LIMITATION OF WARRANTIES:** The exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product shall be limited to a refund of the purchase price of the product.

ACTIVE INGREDIENT:

Permethrin [CAS 52645-53-1] 0.25%
OTHER INGREDIENTS:..... 99.75%
TOTAL 100.00%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

FIRST AID -

IF SWALLOWED: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center, or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice. See side panel for additional Precautionary Statements

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid inhalation of dust. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling. Avoid contamination of food and feed.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. Do not apply directly to water. Drifts and runoff from treated areas may be hazardous to aquatic organisms in treated areas. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. This product is permitted for outdoor use around the home. May be used on Ornamental and recreational Turfgrass areas. Not for use on Sod or Turf Farms. For outdoor perimeter insect control around homes, commercial, and Industrial buildings.

Barrier Treatment around the Home

The following pests are commonly found around or near foundations of homes as well as in lawns. Some pests attempt to enter the home. To prevent insect entry into the home apply around the home foundation a 3 to 5 foot barrier band of granules using 2 lbs. per 1,000 sq. ft. of band. This will control Ants, Fleas, Brown dog ticks, Clover mites, Crickets, Earwigs, Millipedes, Silverfish, Sowbugs (Pillbugs). Water lightly after application. Repeat as needed.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container in a dry, cool, secured area. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.

PRODUCT DISPOSAL: As a responsible environmental practice, where possible, it is recommended that all of the contents of the bag be used, carefully following label directions and precautions.

IF EMPTY: Do not reuse this bag. Place in trash or offer for recycling if available.

IF PARTLY FILLED: Call your local waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain. **SPILL:** In case of spill, sweep up and dispose of material according to PRODUCT DISPOSAL directions listed above. (EPA Reg. No. 9404-87)

ACCEPTED

MAR 11 2003

Under the Federal Insecticide, Fungicide, and Rodenticide Act, use is authorized for the pesticide registered under EPA Reg. No. 9404-87

Directions for Applying Permethrin 0.25% Granules

Treatment Areas	Target Pest	Remarks	Use Rate
Band Treatment Around outside of House Foundation	Ants, Fleas, Brown dog ticks, Millipedes, Clover mites, Roaches, Spiders, Silverfish, Sowbugs (Pillbugs), Crickets, Earwig	These pests are commonly found around or near foundations of houses as well as in lawns. Certain of these pests may enter houses. Apply a 5-foot band of granules uniformly around the dwelling. Water lightly after application. Repeat as needed but not more than 4 times/year	32 oz. Ft. each 100s ft. area (5 by 20 ft.) (2 lbs./1,000 sq. ft. - equiv. 87 lbs./ac
Overall Lawn Applications for all turf Grass and Dichondra Lawns	Surface Insects: Ants, Armyworms, Brown dog ticks, Chinch bugs, Clover mites, Crickets, Cutworms, Earwigs, Fleas, Lawnmths Sod (webworms), Leafhoppers, Millipedes, Sowbugs	Apply with a fertilizer spreader. See spreader settings chart on this label. Apply when grass is dry. It is not necessary to water in the insecticide for control surface insects. Repeat if new insects appear, but not more than 4 times per year	For application with ordinary equipment apply at rate of 2 lb per 1,000 sq ft or 32 Oz./sq ft. For heavy growth lawns such as St Augustin grass, increase rate to 3 lb per 1000 sq ft equal to 4.8 per 100 sq
Spot Treatments	Soil Insects: Billbug, Grubs, White Grubs, Japanese beetle grubs, Ateanius Grubs; phyllaphaga June Beetle Grubs.	For control of all soil insects apply 1/4 to 1/2 inch water after application to release the insecticide to the soil level. For billbug control apply when activity is first observed or when chewed or brown grass indicates grass root damage. Repeat in one week. For white grubs treat between mid-July and early October. For southern lawns, if needed, treat again in Nov or Dec.	For these insects use rate of 2.5 per 1000 sq ft equal to 1 lb./acn
	Ants	After applying granules lightly spray water mist the treated area with a sprayer or light rain inside the treated area.	Apply 4 to level top on and around each ant. Repeat insects appear.
	Fire Ants	Wear protective household gloves while using. Thoroughly and gently spray water mist or lightly sprinkle each fire ant mound after applying granules. Repeat if ants reappear. Forcelsu application may temporarily cause ants to migrate, reducing product effectiveness. Apply in cool weather, 66 to 80 degrees F. or in early morning or late evening hours.	Gently apply 12 to 15 granules around each fire ant mound. Products within 24 hrs Repeat if ants reappear
