CLEVELAND, OHIO 44104

DANGER: Keep out of the reach of children. Contains Hydrochloric Acid. May be fatal or harmful if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin or on clothing. If swallowed call a physician immediately.

FIRST AID: If Swallowed—

Drink a teaspoonful or more of milk of magnesia or a cup of soapy water followed with milk or raw egg whites.

Eye Contact — Wash with water for 15 minutes. Get prompt medical attention.

Skin Contact — Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

DIRECTIONS

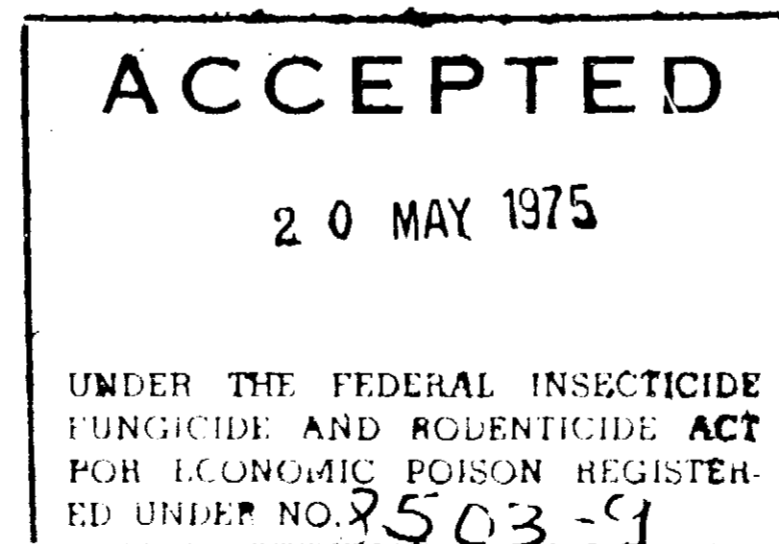

To disinfect and remove stains from toilet bowls and urinals: Remove as much water as possible by plunging over trap. Pour 6 ounces of cleaner on mop and clean over inside surfaces and under flush rims. Allow solution to remain on the surface for several minutes until all rust, stains and scales are loosened. Flush and rinse mop.

To thoroughly clean toilet seat and bowl: Pour 6 ounces of cleaner into clean water in bowl and mop with this solution. Rinse thoroughly and dry. To remove metallic soap build-up and stains from inanimate hard surfaces such as; tile floors, walls, shower stalls, swimming pools and swimming pool walkways: Use 1 ounce per quart of water. Apply with a mop or cloth. Rinse thoroughly with water.

CAUTION: Spilling bowl cleaner on ceramic, terrazzo or marble floors may etch the surface. Do not stand bottle on porcelain while contents are being used. Rinse mop or cloth with water after using. When bottle is empty, rinse thoroughly with water and discard. Do not re-use. Do not mix this cleaner with any other chemical.
