#### USES

Pour 8 fl oz TOILET BOWL CLEANER into bowl and use brush or mop to wet thoroughly all surfaces above water level. Allow to set until deposits or stains are removed. Then flush and rinse all treated surfaces.

To clean traps, use same procedure. Repeat weekly to prevent build-up.

Rinse empty container thoroughly and discard it.

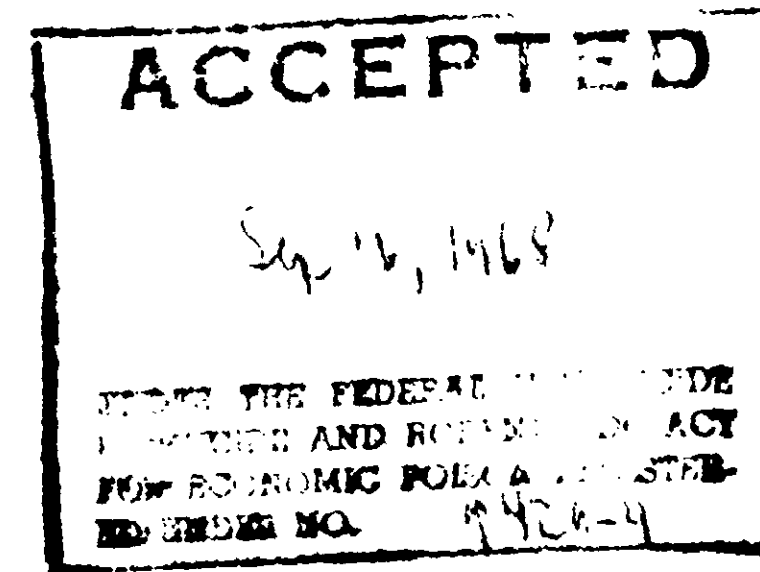

(Right panel)

(X) POISON (X)

DANGER: Corrosive. Keep out of reach of children. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing.

ANTIDOTES: Internal: Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap softened with water in milk or raw egg white.

External: Eyes - wash with water for 15 minutes. Gently wipe off acid. Immediately flood the surface with water, using soap freely. Then cover with moist magnesia or baking soda.
