

tact with skin, wash with soap and water. Avoid contamination of feed and food-stuffs. Keep out of the reach of children.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

NOTICE Because Sellers Chemical Corporation has no control over storage, handling, and conditions of use, which are of critical importance, Sellers Chemical Corporation makes no representation or warranty, either express or implied, for results due to misuse, improper handling or storage of this material. Nor does Sellers Chemical Corporation assume any responsibility for injury to persons, crops, animals, soil or property arising out of misuse, improper handling or storage of this material.

DIRECTION GUIDE FOR CHLORDANE 4E

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

INSECT PEST	CONCENTRATION	APPLICATION
Ants Boxelder bugs Carpet beetles Centipedes Roaches Scorpions Silverfish Spiders Crickets Waterbugs	2 3% Spray	Thoroughly spray around doorsills, baseboards, closets, storage cabinets, openings around water pipes, heat and air conditioning ducts, window frames, wall cracks, electrical outlets or wherever these insects may enter, congregate, feed or hide in the home.
Clothes moths	2% Spray	Thoroughly dampen all surfaces of clothing, blankets and other woolen cloth. Treated articles should be dried and then placed immediately in storage. Dry clean before using them as clothing or bedding.
Wasps	2 3% Spray	Spray the wasp nest after dark when all the insects have returned to the nest.
Brown dog tick	2 3% Spray	Thoroughly spray or paint with a coarse wet spray infested areas, baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Use fresh bedding after treatment. Do not spray pets or other animals.

mustard in tumbler of water. Call a physician.

CONTAINER DISPOSAL

Rinse equipment and containers and dispose of wastes by burying in noncrop-lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning. Keep out of smoke.

UNLAPSEABLE CONTAINER

UNLAPSEABLE CONTAINER 15-8-4
