# DRI-CIDE BRAND SUPER KILL

DRI-CIDE is an amazing fast acting insecticide powder which is relatively odorless & non-staining and may be used in accordance with directions in homes, restaurants, stores, hotels, offices, plants and warehouses. When used as directed, it is highly effective in controlling roaches, ants, silverfish, bed bugs, flea, lice and ticks.

### DIRECTIONS FOR USE

To control Cockroaches, Ants, Silverfish & Fleas in Animal Quarters — Distribute DRI-CIDE at a rate of 1 ounce per 50 square feet of surface area. Apply a continuous visible film underneath & behind stoves, refrigerators & appliances. Treat on, around and behind molding, shelving, baseboards, pipe openings, cracks, crevices and other areas where insects may hide. For severe infestations, apply DRI-CIDE behind cabinets and walls, in crawl spaces and attics, at a rate of 2 ounces per 125 square feet of surface area. Repeat as necessary.

**Bed Bugs** — Dust infested areas including bedstead, springs, mattress and hiding places. Repeat as necessary.

**Fleas, Lice and Ticks on Dogs** — Liberally apply powder to the animal, rubbing thoroughly to the skin. Begin with neck and include the underbody, legs, feet, and the base area of the tail. Repeat as necessary.

**CAUTION:** Avoid inhalation — Do not contaminate water by disposal of powder. Do not use in edible products areas of food processing, plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of food and food utensils.
