Precautionary Statements

WARNING

Hazards to Humans & Domestic Animals

Keep Out of Children. Causes eye or skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food. Do not use in nurseries or rooms where infants, ill or aged persons are confined.

**FIRST AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantity of water. Avoid alcohol. Call a physician.

**Physical or Chemical Hazards:** Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Air Sanitizer is a highly effective formulation specially designed for use in the timed, intermittent aerosol dispensing unit for the reduction of airborne bacteria and undesirable odors. Recommended for use in lobbies, reception rooms, locker rooms, rest rooms of hospitals, theaters or shops.

Remove cap from can and place in sequential aerosol dispenser with spray head beneath actuator, nozzle facing front. Factors such as air currents, temperature, humidity and conformation of treated area govern number of units required for effective control. One unit should normally treat 6,000 cubic feet of closed air space. Dispenser location should be at a height of 8 feet and directed compatibly to air currents in closed area. One can, used on a 24-hour basis, will provide air sanitizing for a 30-day service cycle.

Storage & Disposal

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool dry place away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Replace cap, wrap container and put in trash collection.

Authorized for use under USDA Inspection & Grading Programs.
