Subject: Label Notification – Purge Air Sanitizer
EPA Reg. No. 9444-19
Notification Letter Dated September 1, 2010

This will acknowledge receipt of your notification for the aforementioned product label, submitted under the provisions of Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) Section 3© (9). Based on a review of the submitted material, the following apply:

- The Agency approves the addition of the following optional statement to the front panel of the label, "Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols."

The Notification is in compliance with PR Notice 98-10 and is acceptable. This information has been made a part of your file.

If you have any questions concerning this letter, please contact Abigail Downs at (703) 305-5259.

Sincerely,

A handwritten signature in black ink, which appears to read "M. Swindell", is written over the typed name.

**RE: Notification Request per PR Notice 92-2 and 98-10
Purge Air Sanitizer, EPA Reg. No. 9444-19**

By notification, we are adding the optional statement "Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols." to the front panel of the label. The optional CFC logo currently appears on the back panel of the EPA Stamped Accepted label.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Attached are EPA Form 8570-1 and a copy of the label with the revisions highlighted in yellow. Also enclosed is a self-addressed, stamped postcard so that we may obtain notice when the Agency has processed this notification.

Please contact me at (985) 878-6751 Ext. 210 or crohner@watco.com if additional information is needed to expedite this notification request.

Sincerely,

Cynthia L. Rohner
Registration Specialist

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
WARNING**

Keep Out of Reach of Children. Causes eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Do not use in nurseries or rooms where infants, ill or aged person are confined.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Physical or Chemical Hazards: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Product Name] is an effective formulation specially designed for use in the timed, intermittent aerosol dispensing unit for the reduction of air-borne bacteria which can cause undesirable odors. Recommended for use in lobbies, reception rooms, locker rooms, rest rooms of hospitals, theaters or shops.

[For Metered Application] Remove cap from can and place in [sequential] [metered] aerosol dispenser with spray head beneath actuator, nozzle facing front.

Factors such as air currents, temperature, humidity and conformation of treated area govern number of units required for effective control. One unit should normally treat 6,000 cubic feet of closed air space. Dispenser location should be at a height of [7] [7-8] [8] feet and directed compatibly to air currents in closed areas. One can, used on a 24-hour basis, will provide adequate air sanitizing.

[For Handheld Application] Spray for one second toward center of room, away from drapes, walls, plastic, vinyl, painted or varnished surfaces, etc. to reduce airborne bacteria in an average size room (10' x 14' x 8'). Repeat application several times daily.

Storage & Disposal

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool dry place away from heat or open flame.

Disposal: Do not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions.

[For Reviewer: The Steel graphics symbol is optional if label space allows it.]
