Ruben Mendoza  
Waterbury Companies, Inc.  
P.O. Box 640, 129 Calhoun Street  
Independence, LA 70443

Dear Mr. Mendoza:

Subject: Response to DCI for Dipropyl Isocinchomeronate  
Farm Dairy Fly Foam  
EPA Registration Number 9444-28  
Submission Dated October 31, 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below:

1. Revise the Precautionary Statement to read as follows:

"Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling."

2. Add a Statement of Practical Treatment that includes the following:

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

A stamped copy of the label is enclosed for your records. Submit three copies of final printed labeling prior to releasing product for shipment.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely,

RPK

Richard P. Keigwin, Jr  
Product Manager 10  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**  
**WARNING**

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not puncture or incinerate. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**  
**SHAKE WELL BEFORE USING**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For temporary protection of horses from attack by **Horse Flies, Horn Flies, Stable Flies, Deer Flies, House Flies, Mosquitoes and Gnats.** Combines "Push Button" convenience of an aerosol with the application ease of a foam. This product is excellent to have in the barn and convenient to take along to fairs, exhibitions, etc., with show animals.

**For Face Flies:** Remove mucous secretions and saliva deposits from face of animal. Sparingly apply foam directly or to soft cloth and spread about face and other body regions where flies gather. Repeat daily or as needed. Apply foam lightly to coat and spread thoroughly. Apply to belly, back, ear, or leg regions where the specific attacking insect feeds. **Do not treat entire animal.** Treat young animals sparingly. Do not apply to back of horses prior to saddling. Repeat daily, or as needed, for protection. Avoid use which will result in wetting the animal's hide.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry place away from heat or open flame.

**DISPOSAL:** This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. **DO NOT PUNCTURE!** If recycling is not available, wrap the container and discard in the trash.

Manufactured by
