EPA Reg. No. 9444-28

EPA Est. No. 9444-LA-1

NET WT 10 oz (284 g)

**PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals**

WARNING

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER- Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information, call (985) 878-6751, Monday through Friday, 8:00 am to 4:30 pm CST. After 4:30pm call your poison control center. For product information call (203) 597-1812, Monday-Friday, 8:00 am to 5:00 pm EST.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture or incinerate. Do not use or store near heat or open flame. Exposure to temperatures above 130° F may cause bursting.

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING

It is violation of federal law to use this product in a manner inconsistent with its labeling.

For temporary protection of horses from attack by **Horse Flies, Horn Flies, Stable Flies, Deer Flies, House Flies, Mosquitoes and Gnats.** Combines "Push Button" convenience of an aerosol with the application ease of a foam. This product is excellent to have in the barn and convenient to take along to fairs, exhibitions, etc. with show animals.

For Face Flies: Remove mucous secretions and saliva deposits from face of animal. Sparingly apply foam directly or to soft cloth and spread about face and other body regions where flies gather. Repeat daily or as needed. **For Horse Flies, Horn Flies, Stable Flies, Deer Flies, House Flies, Mosquitoes and Gnats:** Apply to belly, back, ear, or leg regions where the specific attacking insect feeds. **Do not treat entire animal.** Treat young animals sparingly. Do not apply to back of horses prior to saddling. Repeat daily or as needed for protection. Avoid use which will result in wetting the animal's hide.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry place away from heat or open flame.

Disposal: Do not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions.

[For Reviewer: The Steel graphics symbol is optional if label space allows it.]
