

**PRECAUTIONARY STATEMENTS**

*Hazardous to Humans and Domestic Animals*

**DANGER: PURGE TOTAL RELEASE INSECTICIDE WITH VAPONA** is poisonous if swallowed, inhaled or absorbed through the skin or eyes. Do not breathe vapor. Do not get vapor or liquid on skin or eyes. Do not get on face. Wear a full face mask or respirator jointly approved by MESA (Mining Enforcement and Safety Administration - formerly U. S. Bureau of Mines) and by NIOSH (National Institute for Occupational Safety and Health) for protection against DDVP. Wear rubber gloves. Also wear clean protective clothing with head and surfaces covered so that no bare skin is exposed. In case of contact remove contaminated clothing immediately. Wash or shower thoroughly and put on clean clothing, including shoes. Wash hands, arms and face with soap and water before eating or drinking. Exclude occupants and pets completely from premises before starting treatment. Fish basins must be covered or removed. House plants must be covered within 8 feet of release point.

**STORAGE & DISPOSAL:**

Do not contaminate water, food or feed by storage or disposal. Wash empty container in newspaper and put in trash collection.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Must be used by licensed pest control operators. Use 1/6 oz. can for every 5,000 cubic feet of space. During handling and operation use face mask or respirator jointly approved by MESA (Mining Enforcement and Safety Administration - formerly U. S. Bureau of Mines) and NIOSH (National Institute for Occupational Safety and Health) for protection against DDVP.

Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when the facility is not in operation.

Place can in center of area to be treated. Place newspaper under can. Push down tab on top of can until it clicks. Leave premises immediately. The entire contents will release automatically. After application do not reoccupy premises for at least 2 hours. Before reoccupying open all doors and windows and ventilate thoroughly. Wash dishes and kitchen utensils thoroughly. Do not contaminate water supply or other food stuffs. Care should be used in handling empty container.
