Mr. Ruben Mendoza
Waterbury Companies, Inc.
P.O. Box 640
100 Calhoun St.
Independence, LA 70443

Dear Mr. Mendoza:

Subject: Change in Product Name and Revised Labeling
Total Release Insecticide with Vapona
EPA Registration No. 9444-32
Total Release Insecticide with Vapona/Baygon
EPA Registration No. 9444-36
Your Applications Dated April 24, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are acceptable, provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. Revise Precautionary Statements as follows:
"This product is fatal (poisonous) if swallowed . ."
2. For EPA Registration No. 9444-36 identify feed areas along with food areas i.e.,
"in food/feed areas of food . ."
"where food/feed is commercially . ."
"non-food/feed areas are . ."

Your product's new brand names, as listed above, are acceptable. Submit five copies of your final printed labeling before you release the products for shipment. Stamped copies of the labeling are enclosed for your records.

Sincerely,
