Ms. Ligia Moliņa  
Waterbury Companies, Inc.  
P.O. Box 640  
Independence, LA 70443

Dear Ms. Moliņa:

Subject: Revised Labels  
CB House & Garden Spray  
EPA Registration No. 9444-74  
Purge White Fly Control Spray  
EPA Registration No. 9444-76  
Your Submissions Dated April 23, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

As new labels are printed, delete the related compounds declarations for these active ingredients and include their percentages with the total for inert ingredients for each respective product.

Sincerely yours,

Richard F. Mountfort  
Product Manager (10)  
Insecticide-Rodenticide Branch  
Registration Division (M7505C)

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not smoke while spraying. Do not remain in treated areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover or remove exposed foods. Remove pets, birds and cover fish aquariums before spraying.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### SHAKE WELL BEFORE USING

Apply using a good sprayer adjusted to deliver a fine mist.

### FOR HOUSEHOLD USE ONLY

**INDOORS:** For control of house flies, mosquitoes and gnats.

Close all doors and windows. Direct the spray mist to all parts of the room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave the treated area. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

**INDOORS:** For control of cockroaches, earwigs, grain mites, sowbugs, spiders and centipedes.

Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes, under refrigerators, baseboards and storage areas. Spray directly on insects where possible. Repeat as necessary.

**ANTS:** Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

**OUTDOORS:** To kill mosquitoes, gnats (midges), houseflies, biting flies and flying meths (millers).

Follow precautions listed above. Apply the spray 18 to 24 inches from shrubs, bushes and grassy areas. Spray these areas with a slow sweeping motion while moving away

from the treated area. To reduce annoyance from these flying insects, treat open porches and patios in a similar manner. Spray only when the air is still. Allow spray to dissipate before occupying the treated area. Repeat as necessary.

**OUTDOORS:** To protect ornamental plants. Apply using a good sprayer adjusted to deliver a fine mist, spraying plants from 18 to 24 inches.

ORNAMENTALS		INSECTS
Smaller Rhododendrons	Viburnum	Mimosa Webworm Larvae (on mimosa)
Pines	Eunonymus	Aphids
Spruce	Oaks	Exposed Thrips
Hemlock	Maples	White Flies
Spruce	Locust	Leafhoppers
Dogwood	Forsythia	Plant Bugs
Palm	Alliea	Japanese Beetles
Mimosa		
Toyon		

Ornamental Quince, Juniper, Cypress, Ornamental Mulberry, Ash, Catalpa, Rose, Camellia, Azalea, Pyreantha and Carnations may also be treated to control the above pests, but use with extreme caution. Certain varieties have shown some leaf burn under certain conditions of use such as heavy dosage. Repeat as necessary to obtain control.

**OUTDOORS:** To protect house plants. Spray infested African violets, philodendron, geraniums, begonias, coleus for control of listed pests. Repeat application as necessary.

**OUTDOORS:** To control nuisance pests.

**ANTS:** Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

**Wasps:** Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, catching as many insects as possible. Repeat as necessary.

**Spiders:** Spray directly on spiders and repeat as necessary.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

Manufactured by:  
Waterbury Companies, Inc.  
Waterbury, CT 06722

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in a cool, dry place away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Replace cap, wrap container and put in trash collection. Do not incinerate or puncture.
