

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Do not allow children or pets to contact treated surfaces until spray has dried. Do not spray air in rooms or use on plants. Apply as a surface spray only as specified on this label. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils contaminated with this product. Remove pets and cover fish bowls before spraying. Avoid contact with eyes, skin and clothing. Avoid breathing vapors of spray mist. Keep away from food, feedstuffs and domestic water supplies. Do not smoke while using. Wash thoroughly after handling. **NOTE TO PHYSICIAN:** Contains petroleum distillate. If gastric lavage is deemed necessary, undertake only after proper placement of cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED** - Do not induce vomiting. Get medical attention immediately.  
**IF INHALED** - Remove victim to fresh air. Apply respirator if indicated.  
**IF ON SKIN** - Remove contaminated clothing and wash affected area with soap and water.  
**IF IN EYES** - Flush eyes with plenty of water. Get medical attention.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not spray on plastic, painted or varnished surfaces or directly into electronic equipment such as radios, TVs, computers, etc.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use as a spot treatment on localized surface areas only.

**TO OPERATE:** Holding can upright, with orifice directed toward surface to be treated, press actuator button.

**COCKROACHES, ANTS, SILVERFISH, SPIDERS, CRICKETS, AND EARWIGS:** Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests and points of entry.

**BROWN DOG TICKS:** Apply thoroughly as a spot treatment to infested areas such as pet bedding and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these nests may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

**FLIES AND MOSQUITOES:** Use only on outdoor surfaces. Spray outside surfaces of windows and door frames and other areas where these pests may enter the home. Also spray dark corners and localized resting areas such as under eaves, porches, partitions, and in garages where these insects may congregate. Flies and mosquitos coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in a cool dry place away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Replace cap, wrap container and put in trash collection.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

Authorized for use under USDA Inspection & Grading Programs.
