 HAZARDS TO HUMANS & DOMESTIC ANIMALS
 CAUTION**

Harmful if swallowed or absorbed through skin. Avoid breathing of vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Avoid contamination of feed or foodstuffs.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store in a cool dry area away from heat or open flame.
PESTICIDE DISPOSAL: Pesticide that cannot be used according to label instructions must be disposed of according to applicable federal, state and local procedures.
CONTAINER DISPOSAL: Replace cap and discard empty container in trash, sanitary landfill, or by other approved state and local procedures. Do not incinerate or puncture.

The pressurized spray is especially designed for use on horses and should not be used on meat and dairy animals. A wetting mist is delivered with a minimum of noise.

Holding can upright and 12 to 18 inches from the animal, spray with short bursts, being careful to treat legs, belly, neck, back and sides. Cover eyes while spraying face or spray on sponge or cloth and apply to face as a wipe. Repeat treatment as necessary when flies are troublesome. Ceilings, walls and windows may also be sprayed to render them unattractive to flies.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

EPA Reg. No. 9444-82

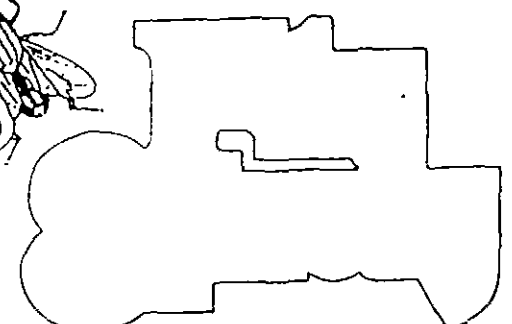

EPA Est. No. 9444-LA-1
