NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) since you have agreed to:

1. Submit and/or cite all data or other material for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase, "EPA Registration No. 9444-84" before you release the product for shipment.

3. Submit 5 copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

After

**PRECAUTIONARY STATEMENTS**  
**Hazards to Humans & Domestic Animals**  
**CAUTION**

Avoid spraying in eyes. Avoid breathing vapor and contact with skin. Wash hands thoroughly after use. If possible, make applications outdoors. Vacate room after indoor treatment and ventilate before reoccupying. Remove pets, birds and cover fish aquariums before spraying.

**STATEMENT OF PRACTICAL TREATMENT**

**IF INHALED**-Remove affected person to fresh air. Apply artificial respiration if indicated.

**IF IN EYES**-Flush with plenty of water. Contact a physician if irritation persists.

**IF ON SKIN**-Wash affected areas immediately with soap and water. Get medical attention if irritation persists.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting. Do not store below 32°F.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use in the food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food/feed should be covered or removed.

Nonfood/feed areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries, and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Allow all treated articles to dry thoroughly before use.

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

**SHAKE WELL BEFORE USING**

Hold can upright and spray from face. Spray a section of surface that is inconspicuous to test for possible staining before treating the complete surface.

To control and prevent infestation of **Black Carpet Beetle, Furniture Carpet Beetle, and Webbing Clothes Moth.**

Clothing, Draperies, Blankets, etc. should be well brushed, cleaned and, if possible, exposed to sunlight. Thoroughly spray on both sides and into seams and folds. Spray monthly unless stored in tight containers. Clean and spray closets, especially cracks, then thoroughly spray all articles.

**Articles To Be Packed Away:** Thoroughly brush and clean, then spray well on both sides and into all seams and folds. Pack in airtight trunks or chests which have been cleaned and sprayed with MOTHOFF.

**Carpet and Rugs** to be stored should be cleaned on both sides with a vacuum cleaner and exposed to sunlight. Then spray on both sides and, while still damp, roll up in newspaper and tie. Carpets in use should be thoroughly sprayed twice a month.

Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.

Not for use in USDA Meat and Poultry Plants.

**STORAGE & DISPOSAL**

**STORAGE:** Store in a cool, dry area away from heat or open flame.

**DISPOSAL:** Do not reuse empty container. Replace cap, wrap empty container in newspaper and discard in trash. Do not puncture or incinerate.
