NAME OF PESTICIDE PRODUCT Purge Total Release Insecticide with 0.5% Dursban		

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Cline-Buckner, Inc.
 16317 Piuma Avenue
 Cerritos, CA 90701

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

- This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:
1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
 2. Add the phrase "EPA Registration No. 9444-110" to your label before you release the product for shipment.
 3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.
- If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.
- A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

CAUTION: Hazardous to Marine & Domestic Animals. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of mist. Avoid contact with skin or eyes. Avoid contamination of food and foodstuffs. Do not use in edible product areas of processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in working areas where food is exposed. Pets should be removed and fish, aquariums and house plants covered or removed during treatment. Do not allow children or pets to be or sleep in treated areas until at least 24 hours following treatment.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED — Call a physician or Poison Control Center immediately. If a large amount is ingested, do not induce vomiting. Do NOT induce vomiting. Vomiting may cause aspiration pneumonia.

IF IRRITATED — Remove victim to fresh air. Apply first aid as indicated.

IF ON SKIN — Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES — Flush eyes for at least 15 minutes with water. Call a physician immediately if a reaction persists.

Physical or Chemical Hazards: Contains under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use 1 can for each 5,000 cubic feet of unobstructed space. Additional cans should be used for areas where mist might not flow, increased air volume is needed for these same areas. Place can in the middle of the room on a table or floor. Place newspapers under can to prevent marring of surface. Close all doors and windows. Shut off fans and air conditioners. Extinguish all open flames except pilot lights (keep can at least 6 feet from pilot lights). Push down on the Red Lock actuator to keep can at arms length when releasing. Do not point top of can toward face or eyes. Set can down on the prepared surface and leave the building immediately. Keep undisturbed at least 2 hours. Open doors and windows and ventilate thoroughly for 1 hour. Acrylic tile and some plastics may be affected by this product. Place newspapers on asphalt before treatment and cover plastic items, such as plastic furniture, stored covers, eye glasses, etc.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container. Wrap container and put in trash collection.

STEP 1: Set the can on a raised spot such as a table or stand. Spread paper under can to cover area directly beneath nozzle. Remove cover.

STEP 2: Fin tip of can away from face.

STEP 3: Press lever down firmly until it clicks.

STEP 4: Set can back on paper and leave the room, closing the door behind you.
