PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION
Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irritation. Avoid eye contact. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is exposed. Avoid contamination of feed and foodstuffs.
STATEMENT OF PRACTICAL TREATMENT
Immediately contact physician or Poison Control Center if swallowed. If eye contact occurs, flush eyes with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOORS: Apply gel indoors in areas where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in cracks and crevices around window frames, baseboards and shelves. Renew as needed.

OUTDOORS: Where ants are seen entering the building, place small pea-sized balls along walkways, directly on ant nests and in cracks and crevices on window- and door sills. Renew as needed.

Apply only in areas inaccessible to children and pets. DRAX[®] is a long-lasting gel designed to be used for the control of all sugar ants including Pharaoh ants. Drax Ant Kil Gel can also be dispensed with a syringe-type pistol.

STORAGE & DISPOSAL

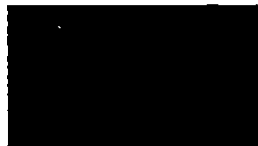

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container away from food and feedstuffs. Keep product in a locked storage area.

DISPOSAL: Do not reuse container. Wrap and place in trash collector.

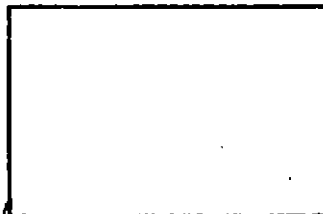

Authorized for use under USDA Inspection and Grading Programs.

Ant Control Tips From The Experts

Fast, effective ant control - indoors or outdoors. Use DRAX ANT KIL GEL directly from the unbreakable bottle, or on handy bait plates.

For Indoor Use...
Apply anywhere ants are seen.

Plus, around water pipes, baseboards,
in cracks and crevices, on or near shelves

For Outdoor Use... Apply directly on ant mounds.

And in cracks and
crevices and on
window and door sills.

For disposal method of empty bottle,
see instructions on bottle. Do not use in areas
accessible to children and pets.

DRAX ANT KIL GEL

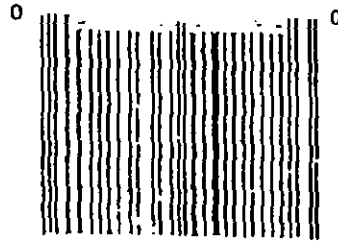

Attracts and kills house ants including pharaoh ants, pavement ants, and other sugar feeding ants. Foraging worker ants feed on Drax Ant Kil Gel and take it back to the nest where they feed the rest of their colony - including the queen.

Easy to use

1. Tear off bait plates from back of carton.
2. Fill center of each plate with Drax Ant Kil Gel. Place bait plates where ants are seen. Inspect and refill as needed.
3. Wrap plates and discard when ants are no longer seen.

Fácil de emplear

1. Separe las plaquitas de cabo al réves de la caja de carton.
2. Llène el centro de cada plaquita con Drax Ant Kil Gel. Coloque las plaquitas de cabo donde se ven las hormigas. Exáminelo y rellénelo como sea necesario.
3. Envuelva las placas y bótelas cuando las hormigas no se ven más.
