NOTIFICATION
MAR 15 2004

ATTN: Sherada Hobgood

**RE: Drax Ant Kill Gel, EPA Reg. No. 9444-131
Notification per PR Notice 98-10**

Dear Ms. Hobgood:

By notification, we are adding the non-public health pests "Thief, Carpenter and Crazy Ants" to be included in existing marketing claims on the front panel and in the Directions for Use section on the back panel of the label. Linda Arrington, Acting Product Manager 10 confirmed these additions are acceptable via notification.

We are adding the optional redundant/additional verbiage and graphics to our label. This redundant/additional text will read "HOW TO USE Remove cap from the tip of the syringe and apply gel by pushing plunger in. Apply 1 ¼ to 1 ½ inches of gel bait in linear placements in areas where ants are seen. Inspect gel regularly and renew as needed."

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Attached are EPA Form 8570-1 and a copy of the label with the revisions highlighted in yellow. Also enclosed is a self-addressed, stamped postcard so that we may obtain notice when the Agency has processed this notification.

Please contact me at (985) 878-6751 Ext. 210 or crohner@watco.com if additional information is needed to expedite this notification request.

Sincerely,

Cynthia L. Rohner
Registration Specialist

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise, a paragraph format will be used.]

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-985-878-6751 for emergency medical treatment information.

[For Pressurized Bait System]

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOORS: Apply 1 ¼ to 1 ½ inches of gel bait in linear placements in areas where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in cracks and crevices around windowframes, baseboards and shelves. Renew as needed.

[For Syringe] ["HOW TO USE Remove cap from the tip of the syringe and apply gel by pushing plunger in. *{graphics shows tip being removed from syringe and plunger being pushed down}*. Apply 1 ¼ to 1 ½ inches of gel bait in linear placements in areas where ants are seen. *{graphics shows Indoor and Outdoor picture of where product can be used}*. Inspect gel regularly and renew as needed. *{graphics show a calendar with pictures indicating the seasons}*"]

OUTDOORS: Apply gel bait in a uniform pattern (every 3 or 4 paces) along the building's foundation ledge or at 1-2 foot intervals. Apply gel bait where ants are seen entering the building, place small pea-sized baits (approximately 0.32 grams) along walkways, directly on ant nests and in cracks and crevices on window- and doorsills. Renew as needed.

Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants, or other areas while food is exposed. [D R A X® ANT KIL GEL] [Product Name] [This] [Kills] [is a long-lasting gel designed to be used for the control of] [Common] [Indoor/Outdoor] [Indoor and Outdoor] [Indoor] [Outdoor] [Ants, including:] [Grease Feeding] [Protein Feeding,] [Pharaoh,] [Argentine,] [Carpenter,] [Thief,] [Crazy,] [Ghost,] [Little Black,] [Odorous House] [and] [Pavement] [and [other] [all] sugar feeding ants [including Pharaoh Ants]] [ants].

[For Pressurized Bait System] To apply gel, remove the safety tab on nozzle and insert plastic void injector application tip, touch the application tip to surface, and apply. The bait will adhere to non-dusty/non-greasy surfaces. Repeat treatments as necessary to maintain adequate control.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container away from food and feedstuffs. Keep product in a locked storage area.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

[For Pressurized Bait System]

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry area away from heat or open flame.

DISPOSAL: Do not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1800-CLEANUP for disposal instructions.

[For Reviewer: The Steel graphics symbol is optional if label space allows it.]
