P.O. BOX 640/129 CALHOUN STREET
INDEPENDENCE, LA 70443

NOV 28 2003

Dear Ms Rohner:

Subject: Label Revision (PR Notice 2001-1)
Product Name: Mop Up
EPA Registration No. 9444-132
Application date: August 25, 2003

The labeling referred to above, submitted in connection with registration under Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable subject to the comment listed below.

- 1) Remove one of the statements "A MOP RINSE INSECTICIDE"
- 2) A copy of your label is "Accepted with Comments". Submit four (4) copies of the final printed labeling prior to releasing product for shipment.

To expedite handling, please return a copy of this letter with your final labels to Ms Pat Quarles. If you have any questions, please call (703) 305-6876.

Sincerely,

Linda Arrington
Acting Product Manager 10
Insecticide Branch
Registration Division 7505

**PRECAUTIONARY STATEMENTS
 HAZARDS TO HUMANS & DOMESTIC ANIMALS
 CAUTION**

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER- Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information, call (985) 878-6751, Monday through Friday, 8:00 am to 4:30 pm CST. After 4:30pm call your poison control center. For product information call (203) 597-1812, Monday-Friday, 8:00 am to 5:00 pm EST.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

4/4

DIRECTIONS FOR APPLYING AS A MOP SOLUTION

USE RESTRICTIONS—Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. When applying the product, keep children and pets out of the area until solution has dried. Any powder visible after application must be brushed into cracks and crevices or removed before reentry. Avoid contamination of feed and foodstuffs. In edible product areas of food handling establishments, apply to floor areas only. Avoid contamination of food or food processing surfaces. Do not apply when facility is in operation or foods are exposed.

APPLICATION WITHIN FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS

FOOD HANDLING ESTABLISHMENTS: Places other than private residences in which exposed food is held, processed, prepared, or served.

FOOD AREAS: Food areas include areas of receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage, enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas (when food is exposed and facility is in operation also would be considered a food area). Apply by mopping onto floor surfaces. Any powder visible after application must be brushed into crack and crevices or removed.

SERVING AREAS: Facilities where prepared foods are served, such as dining rooms, but excluding areas where food may be prepared or held. Apply by mopping onto floor surfaces. Any powder visible after application must be brushed into crack and crevices or removed from selective surfaces such as baseboards and under elements of construction. Avoid treating surfaces likely to be contacted by food. Do not apply when facility is in operation or foods are exposed.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS MUST BE BRUSHED INTO CRACK AND CREVICES OR REMOVED IF ANY POWDER IS VISIBLE AFTER APPLICATION OF MOP UP SOLUTION ONTO FLOOR SURFACES.

MIXING AND APPLICATION DIRECTIONS- Add 1 cup of powder to each gallon of rinse water. Apply to floor areas only. Make only enough for each application. Supplemental treatment only. Reapply as necessary. Avoid treating surfaces likely to be contacted by food.

This product contains a heat-treated form of boric acid which is substantially more water soluble than other borate products. This product is a non-flammable, non-staining, odorless powder that will help control cockroach infestations and should be used in conjunction with a residual boric acid powder, or with your regular exterminating service.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
