 Independence, LA 70443

Gentlemen:

Subject: Drax Ant Kil-PE
 EPA Registration No. 9444-135
 Your Application Dated April 11, 1990
 Your Letters Dated April 9 and July 21 and 25, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below.

1. Remove the sentences "Do not use . . . feed and food stuff" in the box at the top of the label under "Caution." Place the sentences under "Directions For Use" between the "Misuse Statement" and "Indoors" with a "Use Restrictions" heading.
2. Please note that the Confidential Statement of Formula (CSF) has been reviewed and found unacceptable. The Chemical Abstracts Service (CAS) Number for the dye tint listed on the CSF is inaccurate since the dye tint is composed of two other dyes each of which has its own CAS Number. Resubmit your CSF, listing the name of the dye tint that you added to your formula, beneath which you list the component parts of that dye, with their respective CAS Numbers. Also, add your other source to your CSF.

Submit five (5) copies of your final printed labeling before you
release the product for shipment.

If these conditions are not complied with, the registration will be
subject to cancellation in accordance with FDRA section 6(e). Your
release for shipment of the product bearing the amended labeling
constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Marilyn A. Mautz
Acting Product Manager (16)
Inspector, De-Rolent, Side Branch
Registration Division (412-010)

IMMEDIATELY CONTACT PHYSICIAN OR POISON
CONTROL CENTER IF SWALLOWED. IF EYE CON-
TACT OCCURS FLUSH EYES WITH PLENTY OF
WATER. GET MEDICAL ATTENTION IF IRRITATION
PERSISTS.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a
manner inconsistent with its labeling.
Indoors: Apply Drax Ant Kil PF indoors in areas where
ants are seen. Areas include behind the refrigerator,
stove, around water pipes, in cracks and crevices around
window frames, baseboards and shelves. Renew as
needed.
Outdoors: Where ants are seen entering the building,
place small pea sized baits along walkways, directly on
ant nests and in cracks and crevices around window
and door frames. Renew as needed.
Apply only in areas inaccessible to children and pets.
DRAX Ant Kil PF is a longlasting gel designed to be us-
ed for the control of protein and grease feeding ants.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage
or disposal.
STORAGE: Store in original container, away from food
and feedstuffs. Keep product in a cool, dry storage
area.
DISPOSAL: Do not reuse container. Wrap and place
in appropriate container.
