### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** Do not use in edible-product areas of food handling establishments, restaurants or other areas where food is exposed. Avoid contamination of food and feedstuffs.

**Indoors:** Apply DRAX Ant Kil-PF indoors in areas where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in cracks and crevices around windows, baseboards and chairs. Renew as needed.

**Outdoors:** Where ants are seen entering the building, place small pea-sized balls along walkways, directly on ant nests and in cracks and crevices around window- and doorframes. Renew as needed. DRAX Ant Kil-PF can also be dispersed with a syringe-type pistol.

Apply only in areas inaccessible to children and pets. DRAX Ant Kil-PF is a long-lasting paste designed to be used for the control of protein and grease feeding ants.

### STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container away from food and feedstuffs. Keep product in a locked storage area.

**DISPOSAL:** Do not reuse container. Wrap and place in trash collector.

Authorized for use under USDA Inspection & Grading Programs.
