

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

ON PETS: Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under body. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes, face, or genitals. Repeat as necessary. Do not spray on nursing females or pets under six weeks of age.

ON LIMEYWOOD: To protect cattle, horses and hogs from Horn Flies, House Flies, Mosquitoes and Gnats apply a light mist sufficient to wet the surface of the hair. To control Stable Flies, Horse Flies and Deer Flies, apply at a rate of 2 ounces per adult animal sufficient to wet the hair thoroughly. Repeat treatment daily or at intervals necessary to give continued protection.

To Control Blood Sucking Lice, apply to the infested areas of the animal, using a stiff brush to get the spray to the base of the hair. Repeat every 2 to 3 weeks if required.

To Control Poultry Lice, spray roosts, walls and nests or cages thoroughly. This should be followed by spraying over the birds with a fine mist.

For Control of Bedbugs and Mites in Poultry Houses, spray crevices of roost poles, cracks in walls, and cracks in nests where the Bedbugs and Mites hide.

ON PREMISES: To Control Fleas and Brown Dog Ticks, on Premises, thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window- and doorframes, and localized areas of floor and floor coverings. Fresh bedding should be placed in animal quarters following treatment. Concurrent treatment of animals is recommended. Repeat treatment as needed.

STORAGE & DISPOSAL

STORAGE: Store in original container in a cool dry place inaccessible to children and pets and away from heat and direct sunlight. Protect from freezing.

DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 9444-148".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
