

JUL 17 2003

Cynthia L. Rohner  
WATERBURY Companies, Inc.  
P.O. Box 640/129 Calhoun Street  
Independence, LA 70443

Subject: CB Purge III  
EPA Registration No. 9444-158  
Application dated April 17, 2003

Dear Ms. Rohner:

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in accordance with PR Notice 2001-1 is acceptable subject to the comments listed below:

- 1) The Confidential Statements Of Formula for the basic as well as the alternate formulas of record indicate that this product contains petroleum distillates. Therefore the first aid statements containing the correct IF Swallowed statement must be used for this product.
- 2) Delete the section of the label entitled "Statement Of Practical Treatment."
- 3) Delete the First Aid statements for products that do not contain petroleum distillates.

If you have any questions, please contact Joseph Tavano at (703) 305-6411.

Submit two copies of the finished label before this product is released for shipment under this revised label.

Sincerely,

Ann Sibold  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

EPA Reg. No. 9444-158

EPA Est. No. 9444-LA-1

**NET WEIGHT 6.4 oz./181 g**

**PRECAUTIONARY STATEMENTS  
Hazards to Humans & Domestic Animals  
CAUTION**

Do not use in nurseries or rooms where infants, ill or aged people are confined. Do not install directly above or within 12 feet of any food handling or dispersing area. Metering device must be timed so that it does not dispense while food processing is underway. Foods should be removed or covered in such a way as to prevent contamination. All food processing surfaces should be covered during treatment or washed with an effective cleaning compound followed by potable water rinse.

[For Reviewer: First Aid for formulation that does not contain petroleum distillates]  
[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

**FIRST AID**

**If Swallowed:** Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**HOT LINE NUMBER-** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information, call (985) 878-6751, Monday through Friday, 8:00 am to 4:30 pm CST. After 4:30pm call your poison control center. For product information call (203) 597-1812, Monday-Friday, 8:00 am to 5:00 pm EST.

**NOTE TO PHYSICIAN-** Contains petroleum distillate - vomiting may cause aspiration pneumonia.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. Do not induce vomiting. Vomiting may cause aspiration pneumonia.

**IF INHALED:** Remove victim to fresh air. Apply artificial respiration is indicated.

**IF ON SKIN:** Remove contaminated clothing and wash affected areas with soap and water. Get medical attention is irritation persists.

**IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not allow spray to contact plastic, painted or varnished surfaces.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR USE IN** Food handling and food preparation areas of restaurants and food processing plants, stores, farms, dairies, barns, kennels, factories, schools, hotels, motels, offices, ships, planes (cargo area), supermarkets food warehouses, bottling plants, hospitals, nursing homes, day-care centers, milk and egg handling areas of dairies and chicken houses.

This product contains a highly effective insecticide designed especially **FOR USE IN** automatic dispensers. The dispenser activates the metered valve every 15 minutes. Usually the effectiveness of this product will be noticeable within one hour after the Dispenser is activated. If less than 24 hour control is required, the Dispenser should be set to start one hour before control is desired and run one hour after control is no longer needed. Keep in mind that factors such as airflow rate, size of space treated, humidity and room temperature affect insect activity and control. Therefore, one unit per 6,000 cubic feet of unobstructed space should be considered as an average with adjustments made depending on specific conditions at usage site. As with any method of insect control, best results are achieved when sanitation and other positive insect prevention practices are followed.

Do not use in aircraft cabins. It is suggested that the container be changed once a month.

Authorized for use under USDA Inspection and Grading Programs.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Do not store near heat or open flame. Store in cool dry area away from children.

**Disposal:** Do not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions.
