Date of Issuance:

21 APR 1994

Term of Issuance: Conditional

Name of Pesticide Product:

Purge™ After Hours  
Plus DS

## NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Waterbury Companies, Inc.  
P. O. Box 6407  
129 Calhoun Street  
Independence, LA 70443

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 9444-159".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

Robert S. Brennis, Acting PM 10, IRB

Date:

PM444RLO-6 Rev. 10/83 (PNT 12/83)

# DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR USE IN** food handling establishments, restaurants, hospitals, hotels, motels, stores, dairies, barns, and food processing establishments where flies, mosquitoes, small flying moths and gnats are an annoyance.

After Hours Purge Extra DS contains a highly effective insecticide formulation especially designed for use in automatic metered dispensers. This product is an effective "After Hours" augmentation of your insect management system. Exposed food should be covered prior to activation period of the dispenser.

**FOR USE WITH Automatic Metered Dispenser:** One dispenser unit should be installed for each 6,000 cubic feet of unobstructed space to be treated. Dispenser should be located at least 7 to 8 feet from floor. Set dispenser timer for desired hour of activation. Insert aerosol. Put switch in "on" position. The Dispenser activates a 100 mg metered shot once every 15 minutes for a 6 hour period every 24 hours. After one hour of operation, enough insecticide is suspended in the air to kill a substantial proportion of flies, mosquitoes, gnats, and moths present. Factors such as airflow rate, size of space treated, humidity and room temperature affect insect activity and control. Therefore, one unit per 6,000 cubic feet of unobstructed space should be considered as an average with adjustments made depending on specific conditions at usage site. As with any method of insect control, best results are achieved when sanitation and other positive insect prevention practices are followed.

It is suggested that the container be changed every 60 days.

## Purge™ After Hours Plus DS

**Dual Synergized For Added Killing Power  
LASTS 60 DAYS**

**KILLS:** Flies, Mosquitoes, Gnats, and Small Flying Moths

### ACTIVE INGREDIENTS:

Pyrethrins	1.00%
* Piperonyl Butoxide, technical	2.00%
N-octyl bicycloheptene dicarboximide	3.00%
<b>INERT INGREDIENTS</b>	<b>94.00%</b>
	<b>100.00%</b>

\* Equivalent to 1.6% (butylcarbitol)(3-propylpiperonyl) ether and 0.4% related compounds.

**CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES.  
FEDERAL REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS.**

**KEEP OUT OF REACH OF CHILDREN**

### CAUTION

See Back Panel for Additional Precautionary Statements.  
EPA Reg. No. 9444-RLO EPA Est. No. 9444-LA-1
