Subject: Amendment - Revised First Aid Statement
Country Vet Roach Embargo with Growth Inhibitor
EPA Registration No. 9444-168
Your submission dated August 25, 2003

Dear Ms. Rohner:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, subject to the comments listed below. A stamped copy of the label is enclosed for your records.

1. Revise your PRECAUTIONARY STATEMENTS section to read "Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse." Move the statement "Remove pets...before spraying" to the DIRECTIONS FOR USE section of your label.
2. Under the FIRST AID section, insert the following statement immediately in front of the "Have the product container...treatment" sentence: "Contains petroleum distillate - vomiting may cause aspiration pneumonia."
3. Under the "To Control Fleas & Ticks" section, add the following sentence to the end of the paragraph "Also, treat your yard with a product registered for yard application."
4. Add "Contains Petroleum Distillates" to the front panel of the label.

If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. LaRocca', written over the word 'Sincerely,'.

George T. LaRocca
Product Manager 13
Insecticide Branch

CAUTION

Harmful if absorbed through skin. Causes eye injury. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Remove pets, birds and cover fish aquariums before spraying.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

FIRST AID

If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER- Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information, call (985) 878-6751, Monday through Friday, 8:00 am to 4:30 pm CST. After 4:30pm call your poison control center. For product information call (203) 597-1812, Monday-Friday, 8:00 am to 5:00 pm EST.

ENVIRONMENTAL HAZARDS

Do not contaminate water when disposing of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130sF may cause bursting. Extremely Flammable. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake Well Before Use. Keep Container Upright. This product will kill Cockroaches, Ants, Cigarette Beetles, Confused Flour Beetles, Rice Weevils, Sawtoothed Grain Beetles, Crickets, Houseflies, Mosquitoes, Small Flying Moths, Spiders and Ticks. It will also prevent preadult fleas from developing into the adult biting stage up to 7 months (210 days). This product will also kill adult cockroaches and inhibits their natural ability

to reproduce future generations for 6 months by preventing nymphal cockroaches from becoming reproductive adults. Cover exposed food, dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Close doors and windows. DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. **Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off on (i.e., refrigerators, thermostats, etc.).** Call your gas utility or management company if you need assistance with your pilot lights. Close doors and windows. Point valve opening away from face when releasing. Use one unit for each 5,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before reentry.

TO OPERATE VALVE: To lock valve in open position for automatic discharge, press the valve button all the way down, hooking the catch. Then place fogger on stand or table with valve locked open placing several layers of newspaper or pad under fogger. Leave building at once and keep building closed for two hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

TO CONTROL FLEAS & TICKS: Old bedding should be removed and replaced with fresh, clean bedding after treatment. Pets should be treated with a registered product for flea and tick control in conjunction with this treatment.

STORAGE & DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Do not store near heat or open flame. Store in cool dry area away from children.

Disposal: Do not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If part'y filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions.

[For Reviewer: The Steel graphics symbol is optional if label space allows it.]
