**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove cap at tip of barrel of the prefilled, disposable syringe and apply paste only in areas not easily accessible to children and pets. Apply paste near aggregation and harboring areas. Apply behind and under the following: stove, refrigerators, dishwashers, sinks, counters, shelving, washing machines, tubs, waterpipes, around pipe collars, drains, sewers, man holes, electrical boxes, cracks and crevices of baseboards, in corners of cupboards, cabinets and closets. Remove drawers from chests and cabinets, apply freely into corners of drawer wells. Reapply every two to three months. All visible paste should be packed into cracks and crevices. Remove excess paste and dispose into garbage. Avoid contamination of food and feed stuff.

Food Areas: (Restaurants, Food Processing and Food Handling Establishments, Dining Rooms, etc.): In Food Areas, application is limited to crack and crevice treatment only in areas where food and feed stuff are received, sorted, prepared, packaged (canning, boxing, or wrapping) or served. Care must be taken to avoid depositing this product on serving surfaces where food and feed stuff are processed or exposed. Avoid areas likely to be contacted by food. **Non-Food Areas:** Apply to cracks and crevices and around water pipes in areas such as garbage rooms, locker rooms, mop closets, boiler rooms and lavatories.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container away from food and feedstuffs. Keep product in a locked storage area.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
