**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise, a paragraph format will be used.]

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-985-878-6751 for emergency medical treatment information.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE

- [Open pouch and] break [snap] bait stations apart from plastic frame.
Alternate: [Open pouch and] remove bait stations from tray.

Diagram showing how to separate

- Place [product name] stations indoors or outdoors where you have seen ants or along points of entry.

Indoors: Apply [product name] anywhere ants are seen, including behind the refrigerator, stove and other appliances, around water pipes, in cracks and crevices, around window frames, baseboards and shelves. [Optional: To apply to vertical surfaces, peel the protective strip to expose adhesive.]

Outdoors: Apply [product name] where ants are seen entering the building [house]. Be sure to include potential points of insect entry such as window sills, eaves, and around the foundation. [Optional: To apply to vertical surfaces, peel the protective strip to expose adhesive.]
