O. BOX 770, LAKEWOOD, NEW JERSEY

DIRECTIONS

1. Stir colors well
2. Apply on clean dry surfaces.
3. Apply generously with minimum of brushing. Flow on.
4. Thin down first coat, one part thinner to two parts Sav-Cote.
5. Then apply two coats full strength.
6. Use Sav-Cote thinner, to clean tools.

CAUTION

1. Keep away from open flame and sparks
2. If applying indoors use plenty of ventilation
3. Avoid contact with skin and eyes, and prolonged breathing of vapors.
4. Keep out of reach of children
5. If swallowed, induce vomiting, call a physician

THE SAV-COTE DO NOTS

1. Do not apply Sav-Cote on surfaces FRESHLY painted with an oil, rubber, alkyd or synthetic enamel, varnish or lacquer. Apply Sav-Cote ONLY over other finishes which are at least 3 months old
2. Do not mix Sav-Cote with other finishes. Do not thin Sav-Cote with anything except Sav-Cote Special Thinner & Cleaner
3. If remover is used under Sav-Cote it must be neutralized. If remover is still active it will retard Sav-Cote from drying quickly. Nevertheless, Sav-Cote will dry and it may take up to one week. Thereafter other Sav-Cote coats can be applied with normal drying speed
4. Do not apply on very wet, oily, greasy, badly cracked or peeling surface
