OKAY ROACH POWDER

Directions for use against Roaches, Waterbugs, Ants, Silverfish, Spiders, Crickets, and Centipedes.

OKAY ROACH POWDER must be placed only in areas that are not accessible to children and pets. Any Roach Powder that is visible after application is completed, must be carefully brushed into cracks and crevices where removed.

Dust the powder liberally into all cracks and crevices from which these insects emerge or through the joints of the building. They may enter the building through cracks and crevices, even through walls and floors.

Apply **OKAY ROACH POWDER** in spaces behind and underneath beds, refrigerators, stoves, and cabinets.

OKAY ROACH POWDER is for spot applications only. Repeat as necessary.
