STABILIZED CHLORINE GRANULAR 56

Active Ingredient — Sodium Dichloro-S-Triazinetrione Dihydrate 100%
Available Chlorine 56%

DANGER:—KEEP OUT OF REACH OF CHILDREN

SEE FIRST AID AND ADDITIONAL PRECAUTIONS ON SIDE PANEL

DANGER

KEEP OUT OF REACH OF CHILDREN. Do not get in eyes or on skin. Do not get on skin, nose and throat irritation. Wear gloves and protective clothing when handling. May cause burns to broken skin.

FIRST AID: In case of personal contact, flush skin or eyes with cold water for 15 minutes and get medical attention. Clean contaminated clothing. Swallowed, feed gruel or cooking cereal with oil. Call a Physician immediately. Strong oxidizing agent. Moisture contact may cause release of hazardous chlorine-containing gas. Store at 60-80 degrees F with liberations of harmful fumes. If possible isolate container in open area with large volume of water if necessary. Mix only with water. Mixing, in its container, with regular pool chemical could cause violent reaction. Do not use measuring utensils. Store in a cool, dry place. Do not re-use container. Rinse thoroughly with water and discard.

Apply this product only as specified on label. This product is toxic to fish. Treated areas should not be used where it will drain into lakes, streams, or other bodies of water. Do not contaminate water by cleaning of equipment or disposal.

Manufactured by
EPA Establishment No. 100-100-01
