Active Ingredients: Potassium & Sodium Hydroxide 89  
Inert Ingredients: 11

# Quick-Drain

HELP!  
QUICK  
DRAIN

FOR  
SEWER  
PIPES

OPENS SLUGGISH DRAINS  
IN BATH AND KITCHEN

Manufactured by

ATCO CHEMICAL CO.

**• DIRECTIONS •**

**TO KILL ROOTS IN SEWER LINES:** Pour contents of this package of QUICK-DRAIN into toilet stool and flush immediately. Do not use any additional water through sewer lines for at least six hours. In severe cases repeat treatment within 24 hours.

**TO FREE SLUGGISH KITCHEN SINKS, BATH TUBS AND LAVATORY DRAINS:** Place two tablespoons QUICK DRAIN around drain opening and pour slowly one quart warm water over QUICK DRAIN until dissolved, flushing it down the drain. Repeat within one hour if necessary. Do not use more than two tablespoons each treatment.

**TO PREVENT STOPPAGE OF GARBAGE-DISPOSAL LINES:** Use six to eight tablespoons QUICK DRAIN once a week, pouring it directly into the disposal opening while unit is in operation.

**• CAUTION •**

DO NOT USE "Quick-Drain" if sewer lines or drains are completely stopped up, as chemicals will not be able to reach obstruction. Do not use Aluminum or galvanized utensils. Avoid spilling or contact with skin. Not recommended for use in septic tanks.

Keep in Dry Place—Tightly Covered

**Caution - Danger**

Keep out of reach of children or incompetent persons. Causes severe burns. Do not get in eyes, on skin or on clothing. To prevent damage to porcelain fixtures trough generated heat flush immediately.

**Antidotes:**

**External:** Flush skin with plenty of running water, follow with application of vinegar or lemon juice. If in eyes Flush with running water for 15 minutes. Get prompt medical attention.

**Internal:** Administer large quantities of water or milk, followed by cooking oils, get medical attention at once.

Two pounds  
Net Contents: deux livres
