CHEMICAL PRODUCTS INC.

CAUTION KEEP OUT OF REACH OF CHILDREN

FLEAS AND LICE ON DOGS & CATS:

Apply lightly to hair near skin. Work powder to base of hair. Kills fleas by contact when they crawl through treated area. Sprinkle on bedding of pet sleeping quarters to kill newly-emerged fleas. Repeat application as needed.

LICE ON DOGS, CATS & BIRDS:

Apply lightly to cover infested portion of animals, paying particular attention to ears and long hair on tails. Repeat after ten days or as needed to kill young lice that hatch from eggs.

LICE ON POULTRY:

The powder should be well dusted into the feathers of the bird. The treatment may be applied on the basis of a general dusting or pinching method. Pinching should be applied on the breasts, on the thighs under the wing and around the vent. Repeated applications are necessary.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.
